Parents recently received **class newsletters** as part of our communication strategy to keep parents informed of the learning programs being offered by teachers in individual classes.

**Feedback** from parents has been very positive, and we appreciate the messages that we have received from parents. If your child's class newsletter didn't survive the trip home in the school bag, don't despair as a PDF copy is available on our **website** under '**Classes**'. The class newsletter should continue to be a mid-term feature into the future, initially on paper and on-line, and then *on-line only* in 2016.

Tuesday night was a busy night for the P&C and **consultation for the future** of Caralee. Parents had the opportunity to be informed about planning for the future, with the possibility of Caralee applying for Independent Public School status once applications reopen in the future. Part of that planning involves

transitioning from a 'Strategic Plan' to a 'Business Plan'.

The **Business Plan** model has already given parents an opportunity to provide feedback about programs they value and believe meets the needs of children in this community. Teachers and Education Assistants (EA's) had a similar opportunity earlier this term. We look forward to providing another consultation session in Term 4.

The P&C have been hard at work planning for the Caralee & FLDC **10<sup>th</sup> year anniversary** evening celebrations. Similarly, a joint school committee of teachers has been planning activities and celebrations for during the school day. Progress is coming along nicely with lots of fantastic activities and entertainment being planned for the day and evening.

The P&C Uniform Committee has also been busy planning for the introduction of **compulsory broad brimmed hats** in 2016. Early bird pre-order forms have gone home this week, and the form is also on our

**website** under '**Uniform**'.

Similarly, the **P&C Nature Scape Team** has been busy planning for a playground to be built on the oval. The team visited Booragoon Primary School where a fantastic play ground was built for under \$1,000.00. Most of the materials were donated and a 'busy bee' had the job done in a weekend. Google 'YouTube Booragoon Nature Play' for inspiration, and contact the school if you would like to be involved.

### P & C News

*Sausage Sizzle*

Caralee P&C would like to thank all those who supported our fund-raiser last week.

Even with the AFL games on, we were able to raise over \$700. A big thanks and well done to all our volunteers too!

#### Uniform Shop News:

**Cancer Council approved School Hats** will be compulsory as of next year. Pre-order forms will be issued to students this week or available now on-line through our website.

### News from the School Canteen

September is **Fruit & Veg Month** and the Canteen will be promoting lots of new fruit and vegetable recipes and food for you to purchase at the canteen to encourage healthy eating.

Do you have a **healthy family favourite fruit and veg recipe** that you would like to share?

Submit your ideas to the Canteen via their Suggestion Box.

## Choir

The Choir are busy preparing themselves for their big Burswood performance. Costumes are being made, the choir are practising their songs, performers are rehearsing their acting parts and soloists are anticipating singing in front of a large audience! **Please return permission slips as soon as possible.** If you have any concerns about costumes for your child, please see me. Thank you.

## Dance

The dance concert is coming along nicely. The children are remembering the choreography well and are very keen to perform for parents. You are all welcome to attend.

## Caralee's Got Talent

The talent show is **next week!** It is on **Wednesday, 2nd September** and will start at 1.00pm. The children have been finalising their performances and are ready to show you all their talents. It will be a great show!

## Sport

On Wednesday, 19th August 2015, selected students from Caralee participated in the CDSSA Inter School Cross Country held at Manning Park, Spearwood. 47 students walked off the school bus with nerves and excitement that cross country had finally arrived, and they were ready to try their hardest in the 1.5 or 2.25km run around the park.

First off, we had the Year 3 girls starting off the race and, before I had walked down to the finishing line, there was a young Year 3 girl striding towards the finish line and finishing in first place for Caralee! I was so impressed and proud of **Clara Hoarau** and the way she tackled the 1.5km distance for the first time.

After this, Caralee Year 3 boys were released, and once again a proud moment to see all Year 3 boys finishing the track for the first time as well. A big congratulations goes to the two Year 2 boys, **Jack Perryman** and **Kai Griffin**, for entering the Year 3 race and finishing in the top 20 and 35.

After the year 3's, we moved onto the Year 4 girls and, once again, another ochre shirt was heading towards the finish and it was **Kaylen Caruana** finishing in first place! A highlight for myself, and I am sure it was for parents that were watching it too, was Year 5 **Chadd Dunscombe** finishing in first place. As I was cheering on the girls racing around the lake, there was Chadd jogging on the spot asking, "Miss Cotton, where do I go?". As I frantically pointed to the finishing line, off Chadd went like a lightening bolt finishing in first place, well ahead of the other 50 students he was competing against.

Over all, Caralee came in joint third place with another school, and for being in A Division for the first time, I believe all students should feel very proud of their efforts and the dedication that they had for cross country and the training.

A huge thank you to Mrs Griffin for giving up her time and looking after the children in the bay, plus thank you to Zoe and Mr Ramsay for handing out tickets to the children finishing the race, and for all the support we had from proud parents watching their children race. A big congratulations goes to the 47 children that came along for the cross country and either participated or were there as a reserve on the day. Your behaviour, and the way that you represented Caralee was professional and outstanding.

**Miss Aleisha Cotton, Sports Teacher**

## Art

Please come support the art extension students work which will be displayed down at the Kardinya Shopping Centre during the week commencing Monday, 7th September 2015.

## The Reading Hour

Join in the fun of special pyjama party storytime sessions at the City of Melville Libraries with pjs, pirates and princesses aplenty!

AH Bracks and Willagee Libraries are celebrating the national event, The Reading Hour, with **free** themed storytime sessions for children aged three to six.

The theme at Willagee will be pirates, while at Bracks it will be favourite fairy tales.

Youngsters are invited to wear pyjamas, as a pirate or their favourite fairy tale character.

The Willagee Library would like to recognise Kayla Mippy and Tanisha Krakover for their wonderful assistance at this recent event.

Awesome!
