Almost half way through Term One already, and what a busy time it has been. Teachers have been extremely busy getting your children settled and assessing what they know and can do, then devising programs aimed at extending their knowledge and capabilities.

Not only have the teachers been busy, so too has Mr Shapcott, which is why I am the author of this newsletter. This week on Tuesday, as Network Principal, Mr Shapcott chaired a Network Principals meeting. This involved Principals from surrounding schools such as Kardinya, Bicton, Attadale and Melville. Then on Wednesday, Mr Shapcott and Ms Deery, who is a member of the School Council, are attending a day long session on applying for IPS status. This will be very informative should Caralee CS choose to re-apply. Thursday, and Mr Shapcott is at another briefing, this time with the Director General, Sharon O'Neill, where she is to address Principals on the vision for Government schools in WA for 2018.

Teachers have been familiarising themselves with "**Connect**", and parents will be able to view what their children have been doing in class, within the next few weeks. Parents will be advised when the program is ready to go live.

The **fence** between the school grounds and the oval has been removed. This means that years one and two have their play area extended. This added area is currently defined by cones. Years three to six play areas remain as before. Removing this fence opens up the school, and will also allow for easier access to the oval in case of an emergency evacuation.

On Friday, 9th March, fifteen of our students will be attending the **Young Leaders Day** at the Perth Convention Centre. Motivational speakers include Dr Fiona Wood, Andrew Embley (AFL West Coast Eagles), Michelle Cowan (AFL Dockers), Rick Ardon and John Coutis. John has overcome major physical disabilities and is a terrific inspiration to our young leaders.

**Family Picnic** was held today, and it was fantastic to see so many families enjoying the mild summer weather and having lunch with their children.

Our next **P&C meeting** is on Tuesday, 20th March, all new members welcome. Come along and join our energetic and motivated group of volunteers.

Early reminder of **Harmony Day** festivities.

This will start with breakfast at 8.00am. Come along and enjoy bacon and egg in a burger. Students are encouraged to dress in national costume, and there will be a competition between class blocks. The block that has the best decorated windows and doors will win a prize. Watch this space!!

Enjoy the long weekend and stay safe.

Donations of Easter Eggs and/or Easter related goodies to please be given to Shannon or Emma at the school office before Wednesday 21<sup>st</sup> March.

### Canteen Volunteers Needed

Our Canteen is a P & C run service and requires volunteers to help provide this wonderful service 5 days a week and to keep our healthy menu options initiative going.

Can you spare JUST ONE DAY A MONTH to volunteer in the school canteen? That's all it takes! We welcome parents/carers and grandparents. Maybe you just want to trial one day, that's fine with us, and your children will love it!

### Canteen Volunteer Duties

- Assisting with hot and cold food preparation and making of recipes of menu items;
- Serving children over the counter at recess and lunch;
- General canteen tidy up after lunch.

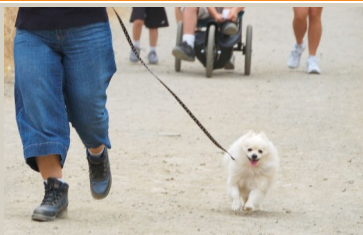

If you are able to volunteer in the school canteen, please email Julia (P & C President) @ [caralee.pandc@gmail.com](mailto:caralee.pandc@gmail.com) advising day/time preference. Thankyou!

## Dogs on School Premises

Caralee allows families to walk their dog to school when dropping off or collecting students, however please be considerate.

If your dog does not display sociable behaviour, we ask that you do not bring them onto school premises.

Some children may be alarmed and may not understand the nature of your pet, and it also affects those families whose dog is impacted by any non-sociable behaviour. Thank you.

## Caralee Dental Therapy Centre

### Did you know we had Dental Therapists on-site?

The DTC is located near the Caralee Front Office and is available for all eligible students from **Pre-Primary to Year 11 inclusive**.

The DTC looks after students from Caralee CS, Fremantle LDC, Bateman PS, Kardinya PS and Winthrop PS. Note: High School students from surrounding areas are encouraged to attend.

You are welcome to visit the Clinic and discuss your child's dental care at any time - children are examined and recalled on a regular basis.

## PARKING

We welcome all our Caralee families to a safe and happy start to the new school year. We ask that you please observe the parking signs relating to **Employees Only, ACROD and Bus and Official**

**Vehicles**, and always keep staff car park entrances, and all footpaths and driveways clear.

Thank you for your understanding, patience and respect of others.

## Rugby Mr Darron Acott

On Friday the 23<sup>rd</sup> of February, we had **Sian Freeman** from the *Australian Rugby League Commission* (WA) deliver some rugby training sessions to our students who will participate in the summer carnival on the 22<sup>nd</sup> of March.

Sian went through some of the skills and techniques needed to play touch rugby. Students got to practise passing, catching and developing some strategies needed to score a try!

Sian is bringing more equipment to our school for all the students to use during our lessons and during the lunch and recess breaks. Thanks to the ARLC WA.

## YLD Mr Darron Acott

On the 9<sup>th</sup> of March, fifteen of our school leaders will be attending the *National Young Leaders Day*!

Students have the unique opportunity to learn firsthand from some of Australia's most influential leaders.

*Halogen* are excited to have assembled the highest-profile list of speakers since the National Young Leaders Day first began.

Speakers include:

**Dr Fiona Wood:** Medical doctor, inventor and former Australian of the Year;

**Andrew Embley:** One of the most loved West Coast Eagles AFL players of all time;

**Rick Ardon:** Household name in WA as the host of Channel 7 news for many decades;

**John Coutis:** Speaks to millions of people worldwide with his personal story of life without the lower part of his body.

## PBS Mr Darron Acott

I would like to thank and acknowledge the work of teachers Mr Rajecki and Mrs Warren for the extra work completed to keep the **Positive Behaviour Support** program moving forward.

Representatives from our team will be attending a PBS Network meeting on the 27<sup>th</sup> of February to share a range of unique school PBS resources including behaviour matrix', signage and visuals and updates to support our strategy as we move forward.

Our next targets will be how we align our explicit teaching of behaviours with our TED virtues program, which is ingrained in our school culture already.

The second target will be to formulate and refine our action plan, which our team is now in the process of formulating. We are seeking to establish our four or five specific whole school behaviours, which will become highly visible around our site and practised in our classrooms and playgrounds.

Our next meeting is on Thursday the 8<sup>th</sup> of March. I will be publishing details of our action plan thereafter.

## ROCK+WATER

*Are you...* the parent or caregiver, of a child aged eight to 14 years?  
*Do you...* want to enhance your child's self-confidence, and self-awareness and self-regulation abilities?  
*If so...* this activity-based workshop is for you, and your child!

The Rock & Water program leads from simple self-defence, boundary and communication exercises; aiming to create a strong notion of self-confidence.

The program offers a framework of exercises that enables young people to become more aware of the purpose and motivation in their life; in-particular how to deal with power, strength and powerlessness.

*This workshop will explore:*

- communication skills and interpretation of body language cues;
- grounding, centredness and mental strength;
- Practical anti-bullying strategies;
- basic self-defence skills; and
- positive feelings, thoughts & visualisation.
