Next Caralee P&C Meeting

We welcome your support, 7pm
June 14th in the Staffroom

Welcome back everyone to Term 2 for 2016.

It is already a bit chilly in the morning and I know parents are looking in cupboards to find windcheaters and jackets for children already.

Please remember **only Caralee uniform** windcheaters and jackets are permitted.

Similarly with our hats, it is fantastic to see so many of our children in sun smart hats to start the term. We have been able to cater for children whose parents are yet to buy a compliant hat with loan items but soon it will be 'no hat no play' once loan stocks are depleted.

Our **School Council** will meet again this term to implement more engagement strategies to include parents and the community more in our strategic planning for Caralee. School Chairperson, Karen Ramsay, and I have been attending training to help position the school to be assessed for Independent Public School Status in

August. The training has been very worthwhile and the school will benefit whether we meet the criteria for IPS now or in the future.

We have only been back a week and our Girls Soccer Team have won the district competition. They are now in the **State Finals** to be held later in the term. A big thanks to Mr Sam Atkins and Ms Aleisha Cotton for their hard work with training the girls.

Term 2 is traditionally a busy term for sport with our football (girls & boys) and soccer teams attempting to go 'back to back' champions for 2016 after great success last year. The great thing about our teams is our Year 6 students are always included regardless of ability.

In this spirit of participation, we have always performed our best and had success. Our weekend netball teams have started at Fremantle Netball Association on Saturday mornings and

both teams started well. Thanks to Catherine Elliot and Natasha Donohue for coaching these teams.

Finally, it is **NAPLAN** testing for students in Year 3 & 5 next week. NAPLAN results are helpful for teachers and school administrators to assess long-term trends in terms of literacy and numeracy programs in schools. It is important for children and parents to remember it is a 'snap shot' of how a student performs on that day in that year. We understand many things influence a child's performance in one-off tests, and we encourage families to treat this week as any other week and for children to try their best and be on time. If you have any queries or concerns regarding NAPLAN, please do not hesitate to speak to your class teacher or one of the Admin team.

We look forward to another great term this Semester.

From the Deputy's Desk

On the last Friday of term, CCS and the FLDC celebrated the end of term with the traditional Rewards Day performance from the *Silver Threads Brass Band*.

The group comprised of over 30 musicians with all sorts of weird and wonderful instruments. They were very entertaining and the kids had a great time.

Mr Daniel Mort, Deputy Principal

Drama

The lower school students have been experimenting with facial expressions to show emotion. One of the warm-ups we have used to explore these facial expressions is a game called 'Led By the Nose'. Students must pretend that someone is pulling a string that is attached to their nose, knees, toes, elbows and so on. This game led to some hilarious expressions and a lot of laughs were had. In the upper school, students are starting a unit on 'mime', the purpose of this is to focus their attention towards the body language they use to show the emotions within a scene.

Music

The kids at Caralee will be starting off the term with a new rhythm. The upper school students will be learning all about tika-ti & ti-tika, the middle school students will be adding tah-ah to their repertoire of rhythms and the lower school students will be revising the rhythms ta, ti-ti and za. The students have especially enjoyed competing against each other in 'Rhythm Wars'. In this game, students aim to be the first team to correctly press their buzzer and notate a 4 to 8 beat rhythm using pop sticks.

Choir

Well done to the choir for their excellent performance at the ANZAC service in the last week of Term 1. I was so proud to see you all bravely singing in front of the crowd. We have now started preparing for the **SingFest** excursion in Week 5 where the children will get the opportunity to perform with a number of other choirs from around the community.
