Uniform Pick-Up
10am to 12 Noon

Special thanks must go to our parent group who have given up so much of their own time over the past weekends to work on the **Nature Play project**. Even though it has been extremely hot and uncomfortable, our willing band of workers, led by Jenny and Natalie, have been there and the outcome has been tremendous. Not long now and it will be ready for all students to use. I would also like to thank Matt Shaw for the great work he has done in building the new brick walls at the front entrance to the school. Soon the metal fences and gates will be moved to these new walls to allow us to create an entrance to the school that will be more creative and welcoming.

A reminder to parents and friends of Caralee Community School and the Fremantle Language Development Centre that we will be celebrating our **Tenth Anniversary** on Friday the **4th of December**. The day will commence at 10am with the formal part of the

event, and then we will have open classrooms and activities for the rest of the day for parents and friends. That evening will be the **Carols by Candlelight** program to be held in the Under-covered Area which will be a gold coin donation at the entrance for the Chaplaincy program.

All teachers are currently working on **Semester 2 student reports** which will be given to students to take home on Tuesday 15th December. If for some reason your children are leaving school before the end of the year for various reasons, can you please make the office aware well before this date so we can prepare student reports and other requirements for you.

Our Kindergarten places are at near capacity, so if you know of parents or friends who are looking to enrol their children here for **2016**, they will need to do so as soon as possible to secure a position at Caralee.

See below a picture of Mr Michael Cranny receiving a Service Award on behalf of Caralee Community School for it's Breakfast Club. This was presented by Her Excellency the Honourable Kerry Sanderson, Governor of Western Australia at the Foodbank Awards 2015. Well done to all those involved with the **Breakfast Club** and the great service that you provide.

CAPORN YOUNG
COME SEE WHY

Choir

Our choir students have had a busy year and are now preparing for their last two performances. They are performing Christmas Carols at the school's '10th Year Anniversary Celebration' evening on Friday the 4th December, and at the 'Lions Club Christmas Carols' evening on Sunday the 6th December at John Creaney Park in Bullcreek. Students will need to wear the full choir uniform for both events, but are encouraged to add some Christmas cheer ie. Santa hats, reindeer antlers, Christmas jewellery etc. Parents are invited to attend both events.

Please return **permission slips** for these events as soon as possible. Thank you.

10 Year Celebrations

POLICE NOTICE

GLASS JARS WANTED

If you have any empty, clean coffee, jam, vegemite, etc jars at home, could you please drop them off at the Front Office. They are needed for our stalls. Thank you!

TOYS WANTED

Toys or children's items in good condition are needed for our Toy Stall.

These can be dropped off at the Front Office or please ring: Mel on 0421 286 305 for further details.

This is just a quick message to alert school staff and parents that we have been experiencing an increase in theft from vehicles from local primary schools in the Palmyra sub-district over the past few days, in particular the Applecross and Mt Pleasant areas. The thefts are occurring during peak periods of pick up and drop off times.

Due to this, we are reminding everyone to be vigilant in keeping your vehicles locked at all times and removing any valuables. Any queries, please do not hesitate to contact us at **Palmyra Police on 9339 9700**.

Visual Arts

This week students have been busy learning about artists Carl Warner and Giuseppe Arcimboldo.

"Who are they?", you may say. Well these two artists are famous for their food art. Carl Warner was famous for creating surreal landscapes into "foodscapes" and Giuseppe Arcimboldo was perhaps the first artist to use food to create a mosaic image; though his work was in paint, not made of food itself.

Our famous artists in C1, D3, D4, D2 and D1 had the opportunity this week to become famous cupcake decorators. Each student thought out their design onto paper, thinking about symmetry, colours, texture and patterns. Some students even brought in figurines to give their design an extra edge.

Nathaniel from D3 brought in dinosaurs and turned his cupcake into dinosaur-land, **Sam** from C1 had *Oreos* to follow his mum's cupcake design at home, and some girls brought in stars and beads to make theirs pretty. I want to commend all students who participated in these lessons as they were well mannered, patient and followed instructions carefully.

Each student's effort was photographed, and parents are welcome to view them on the art room windows. The students' next task is enlarging their cupcake design onto paper with the choice of free media (oil pastels, paints, chalk, collage or pencils).

Silent Auction

Many thanks to the parents, grandparents, teachers and students who came to the art room one afternoon to either view or purchase the art extension students' work. We raised over \$250.00 which will go towards the excursion. Calendars are still for sale: **A4: \$2.00 A3: \$3.00**

12 month Caralee Calendars can be purchased at \$15.00 each. Please see Ms Cotton in the art room as these particular calendars are limited. Art pieces are still for sale too.

Miss Aleisha Cotton, Visual Arts Teacher

If any parents or grandparents have spare picture frames at home, the art room would be grateful to have these.

The World's Largest Cupcake

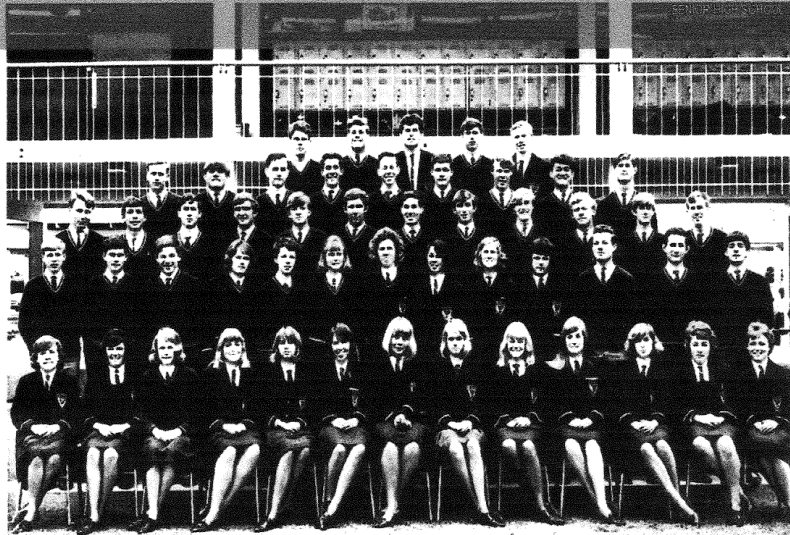

On August 15, 2009 GourmetGiftBaskets.com broke the world record for "largest cupcake ever made". The cupcake was 555 kgs, 122 cm by 305 cm wide, and had 2 million calories. ***Do we dare take on this challenge at Caralee?***

Art extension students worked with **Sam Atkins** in creating their own Giuseppe Arcimboldo food portraits which also can be found on the art room windows.

The term 'cupcake' was originally used in the late 19th century for cakes made from ingredients measured by the cupful. The traditional "pound cake" recipe was easy to remember for its pound of butter, pound of sugar, pound of flour, and pound of eggs. Likewise, the name "cupcake" comes from how recipe was measured: 1 cup butter, 2 cups sugar, 3 cups flour, and 4 eggs.

Miss Aleisha Cotton, Visual Arts Teacher
