### Lost Property

**FINAL CALL:** Please collect any lost personal items from the office. Any items left behind will be donated during the school break.

This is our last newsletter for this term, and I would like to thank our **parents and our P&C** for the tremendous support you have shown the school over this term in the areas of sport, classroom assistance with students, assistance on excursions and events and support for new school initiatives.

A big thank you to our wonderful **Phys Ed teacher, Miss Aleisha Cotton**. Her organisation & management of the faction carnival equated to a sensational day!

A reminder to parents that the first day of term is a Pupil Free Day, and as such students will not recommence until **Tuesday the 13<sup>th</sup>**

**October.** Office staff will be available in the morning but Teachers and Teacher Assistants will be involved with Professional Development all day.

There will be some minor disruption to the teaching and learning program after the first few weeks at school due to the **In-term Swimming Program**. The swimming program will run at the Melville Aquatic Centre for two weeks, commencing on **Monday, 26th October**.

A considerable amount of effort by the school, the parent committees and council money was invested in redesigning Clause Street to cater for parents access and parking. Could parents please note

that due to student safety concerns and arrangements with buses, the **Bus Bay** area at the bottom of **Clause Street is out of bounds** for all parents and visitors. Please do not use this area to drop off students or turn your car around.

I wish all parents, friends and students a relaxing and safe school vacation period.

**Trevor Anderson**  
**Principal**

### **\*\*\* ALERT \*\*\***

Please be aware that it is nesting season, and magpies in the area are swooping to protect their young (reported in particular near **Winnacott Reserve**). **Wear hats when walking to and from school to avoid eye or facial injuries.**
