Welcome back to school for Term 3.

As it has been a cold start to this term, and as many of the students are wearing their school jumpers and jackets, could I remind parents to label each piece of clothing with their child's name. It appears that, as the day warms up, many students take off their jackets and jumpers and leave them where they took them off. This then creates a problem for us in that students pick up the wrong clothing, clothing is left behind and has to be put in the lost property boxes, or clothing goes missing and this creates a problem for the

parents. A **label with your child's name** on it solves a lot of these problems.

The school will be moving to a new form of **student hat** next year. This hat is approved by the Cancer Council and they will be available for sale later this term. As this new hat will be part of the school uniform from the beginning of 2016, all students will be expected to wear these during recess, lunch and sporting activities, including out of school excursions etc.

I would like to apologise for some of the incorrect information that was on our web page in relation to Pupil Free Days. Unfortunately, the web designer

included this information, and not long after that the business went into receivership. As a result, we could not edit any information on the web site. We have now secured a **new website integrator** and there will be many positive changes to make it more appealing and user friendly, and also allow the office staff at Caralee to change details and information as and when required.

## School Banking

### School Banking Account Opening Day

Caralee PS is excited to offer the Commonwealth Bank School Banking program to all students.

The School Banking program provides children with an opportunity to make deposits into their personal Commonwealth Bank Youth-saver Account at school each week. The program is about *how often* your child makes deposits, not how much they deposit.

The Commonwealth Bank will be holding an Account Opening Day at **9.00am on Wed, 12th August** in front of the Art Room. If you are interested in opening a Commonwealth Bank Youthsaver account for your child, please bring along your current driver's licence or another form of photographic identification. No identification is required for your child attending school, as the school will confirm their identity. Alternatively, you can open an account at any branch, by calling 13 22 21, or online if you are an existing Commonwealth Bank customer.

Next P&C Meeting will be held in the Staffroom:

Tuesday, 25th August 2015 (All welcome!)

## Choir

Welcome back to term 3! The choir have been busy preparing themselves for Burswood this term and have been singing beautifully!

## Music

The upper school are learning to play the '12 bar blues' this term and will be creating their own music using iPads. The rest of the school are creating music to 'action' sequences from cartoons using percussion instruments and are showing creativity & diversity.

## Dance

Students have made an impressive start to their dance lessons this term! Students have been participating enthusiastically in all classes and the end of term performance will be spectacular!

**Mrs Mills, Music Specialist**

## Visual Arts

Congratulations to students who made the Visual Art Extension class. Letters went home to parents this week. This term students will be learning still life drawings, researching, clay work, cultural art and self-critique. We also have the 10th Anniversary Mosaic Design that some students will be creating in the art room and in their own classrooms.

## Still Life Drawings

Students have been presented with a still life array of sunflowers in a vase. Each class has been given the use of a different media to create their still life drawings. Students have exceeded themselves and we are displaying spectacular work in the art room.

**Miss Aleisha Cotton, Arts Teacher**
