Term 2 is rolling by very quickly, and what a busy productive term it has been.

Interschool sport has been enjoyable for all participants, with all teams enjoying success.

The final interschool games are next Friday 19th June. The soccer and the football teams have the opportunity to win the Eagles cup and soccer cup (again).

The **choir** has also been very busy with multiple performances. Next Wednesday the choir will be performing at Kardinya shopping centre at 1.30pm. Parents and friends are very welcome to come and listen and enjoy the event.

The **Lightning Carnival** is scheduled for Thursday 25th June. Caralee CS will be entering a hockey team, a football team, two netball teams and a soccer team. Participants will be from Year 6 with selected students from Years 4 and 5 making up numbers. Caralee CS is hosting the hockey at Winnacott Oval, and the P&C are planning to have a sausage sizzle at the venue for supporters.

This Friday 12th June we are having a **"Pirate Day"**. Students (and staff) are encouraged to dress up as a pirate. A gold coin donation is asked from all who participate, money raised goes towards research into childhood brain cancer. This is a particularly nasty

illness and is quite prevalent in young children, so the more money raised, the better chance we have of research being successful in finding a cure.

Teachers are very busy, at the moment, writing end of **first semester reports**. These will be available to parents during the last week of school. Further details of dates and time for collection will be posted in the next newsletter.

Reward Day is Wednesday July 1st; students who have demonstrated regular attendance and have displayed consistent acceptable behaviour will be given an invitation to attend this performance

Visual Arts

Student Councillors have organised a "Space Art Competition". Entries cost 20c per art piece and you can enter as many times as you like. Everyone is welcome to enter the art competition.

This term we have trialled an Art Extension program for the upper year students. Students from D1 and D2 have been selected to participate in an art extension class with Mr Sam Atkins. Students have been learning and creating art works from the famous artist Picasso. This Art extension program will continue next term.

A fun website that all children have been trialling in the art room is Mr Picasso head. This website is a fun and interactive way to create a self portrait using Picasso's style of art. Visit <http://www.picassohead.com/>.

Sport

Last week Caralee played Rossmoyne PS in football, soccer and Netball. The A teams play for the Eagles cup in footy, soccer cup and Fever cup for netball. The football and soccer won and remain undefeated for the season. The next games against Parkwood PS will decide the winners for the season. The netball team lost but can still win the Fever cup if results go their way in other fixtures.

Parents and supporters are encouraged to come and support our teams from 1.30pm on Friday 19th of June in our last football, soccer, netball and hockey round against Parkwood PS played here at school and Winnacott oval.
