Term 2

- 29th May Pupil Free Day
- 1st June WA Day Public Holiday
- 10th June Assembly C3 starting at 9.00am
- 11th June Choir Performance at Cockburn starting at 12.30pm

A reminder for parents and students that this Friday is a Pupil Free Day for students of Caralee Community School. The office staff will be in attendance but Teachers and Education Assistants will be involved in Professional Development activities all day.

I would like to congratulate Ms Cotton and the students from the girls' football team who displayed sportsmanship and skills in their lead up game to the Dockers match last Saturday. The girls' team and their parents also showed great enthusiasm and noisy support for the Dockers in their game against North Melbourne.

For the understanding of parents who are unsure, the Voluntary Contributions of \$40 you pay goes directly to the students; this money is not just held and put into general revenue. Your Voluntary Contributions support the school in many ways, but are primarily directed towards our specialist areas of Arts, Physical Education and Music. These contributions are also utilised to purchase resources in the support of gaining higher learning outcomes for all our students.

When you pay your Voluntary Contributions, it not only helps and supports your child, but every other child in the school.

Principal

During early August we are required to provide information to the federal government on students that are enrolled at Caralee CS and have a disability that impacts on their learning, resulting in teachers making adjustments to the curriculum to ensure that all students meet their potential.

Information collected remains confidential and students' names are not included.

If you do not wish your child to be included please contact Pearl Norman (Deputy Principal) on 9314 1677.

Football Extravaganza!

Choir

Well done to the Choir for your efforts over the past 4 weeks preparing for the Melville performance! You sung beautifully! One of the ladies, who works in the Willagee library, was also at the concert. She said the choir were 'fantastic'! You also looked great and showed respect to other schools. Well done! Our dancers and actors Janaiha, Pacey and Hazel also did a fantastic job with the help of our awesome choir leaders Max and Tiana who put their own time into organising the dance/act and the performers. A great effort!

We are now looking to our next Sing Festival in Cockburn on the 11th June, and Kardinya Shopping Centre on the 17th June. Please return the permission slips as soon as possible.

BURSWOOD - SAVE THE DATE!

We have been allocated September the 23rd for our Burswood performance (Wednesday the last week of term 3), so don't go on holidays until the term finishes!

CARALEE'S GOT TALENT!

Auditions are coming up in week 8, only two weeks away! Many students have said they are auditioning which is fantastic to hear. With all the talent at our school, I know I will have a tough job deciding who makes it through to the show next term!

West Coast Eagles NEWS

All students have been extremely busy this term with sports. On Monday, 18th May, selected students participated in an AFL Multicultural Gala Day at Buzzacott Oval. Students participated in a clinic run by Eagles players such as Josh Kennedy. Students then had the opportunity to have posters and their personal belongings signed by at least 10 Eagles Players. As students were getting things signed, they were able to ask players questions about their profession. Our students were extremely lucky to also receive photos with the famous Nic Nat. To finish off the day, all students played in a round robin against other schools and had lots of fun kicking the football and winning their games. Thank you to Ashleigh (Chaplain) for assisting on the day.

Fremantle Dockers NEWS

On Saturday, 23rd May, 15 girls from Caralee were selected by Miss Cotton to participate in the Curtain Raiser Fremantle Carnival before the Fremantle Dockers V's North Melbourne Game. Well done to the following girls:

- Kaylen, Lauren, Jade, Shae, Hazel, Ava D, Ava B, Avaree, Aleee, Tiana, Francesca, Anya, Lily, Ash and Emma.

These girls showed enthusiasm and commitment to all 3 games they played. They were never shy for the ball and all wanted to kick goals. Every single student never gave up and stayed positive through each game. The girls had their own change rooms, walked through the tunnel, had photos taken in the middle of the Domain Stadium and even saw the Dockers players practising before the game.

A huge congratulations to Aleee Garrett who was announced as Best on ground for Caralee Community School. Aleee was the fiercest player on the girls team and wherever the ball was, Aleee was right there amongst it. She kicked goals and even brought down players twice her size. She played as a team player and gave 120% effort in each game. Aleee and I were also famous and made it onto TV!! The girls finished off the day with a lap of honour around the stadium with fans waving to them and saying Congratulations. We then enjoyed our free tickets and watched the Dockers smash North Melbourne for the win. A big thank you to Mr Jason Shapcott, Mrs Ashleigh Peletier, Mrs Natasha Garrett and Mr John Halliday. Your support and help throughout the day was truly appreciated by myself and the team.

Next on the agenda - Cross Country practice for Term 3. Details to follow in the upcoming week.

COMMUNITY NEWS

KAYA LANE is coming

From 30 May 2015, Kaya Lane will be closed off to vehicle traffic, and transformed into a community place. Thanks to the Willagee community for their creative input, we hope you enjoy Kaya Lane. For more information contact Dee Skuza 9364 0666.

Does your child need some help during study? Help is just a *click* away.

Thanks to your local library, your child has FREE access to **yourtutor**

What is **yourtutor**?

Thanks to the library, your child can be their best in school this year! No more afternoon homework battles, no appointments or travel necessary. They simply log in online for one-to-one, expert help, from the library computer or from home. When a student gets stuck on a homework question, a real-life local tutor is ready online to help them get back on track and feel more confident.

Students can ask for help with a question in maths, English, science, study skills and more.

The best part: the service is entirely **free**, thanks to your local library. So, next time your child gets stuck?

Get **unstuck**, with **yourtutor**.

Mums Raising Boys - up to the age of 12 years

However well-prepared mothers are logically, the emotional response to having a boy is often still, 'Wow! This is unknown territory.' It is true that for many mothers, the idea of raising a son carries its own set of worries.

As the primary female role model in a boy's life, mothers play an important role in the development of their son's identity including their ability to be nurturing. This in turn affects how they relate to others, particularly to girls and women.

This workshop will discuss:

- The importance of the mother-son relationship
- What boys need from their mums
- Practical ways to improve and maintain a positive and rewarding relationship
