Welcome back to term 2, and a special welcome to all our new students and parents.

This is going to be a very busy term for students with choir commitments, inter school sports, special days and planned excursions and incursions.

We also have our **“Parents Open Evening”** at school on Tuesday 19<sup>th</sup> May. The school will be open from 5.30 to 6.30pm for parents to come to school and view their child’s work so far within the classroom. This also provides an opportunity for many of our parents to meet their child’s teacher. Could parents please note that it will not be possible to have an extended time with

your child’s teacher on this evening, but you will have the opportunity to discuss with the teacher a suitable time to meet at a later date.

A reminder as well that Caralee Community School will conduct its **Pupil Free Day** on Friday the 29<sup>th</sup> May. All Caralee teachers will be at various professional development venues although the office will be open during this day. This will be a normal school day for students and teachers of Fremantle Language Development Centre.

The P&C is looking at a new style of hat that conforms to the Cancer Council **“Sun Smart”** policy. We anticipate that as from the beginning of 2016, peak style caps will not be acceptable and

students must wear the approved sun protection caps.

Could I encourage all parents and students to regularly view the schools **website** at [www.caraleecs.wa.edu.au](http://www.caraleecs.wa.edu.au) or just do a Google search with Caralee. There is plenty of information, important dates, and various ways both students and parents can help provide for our school.

Of particular interest on our home page is the link to **Project Robin Hood** run by the Melville City Council. Please have your say as to where your rates go and allocate money towards our P&C Nature Scape Project via the link. See the Robin Hood flyer in this newsletter for more information.

## Visual Arts

This week children have been exploring "Texture" in the art room.

Children are learning that texture is the way an object feels. Texture is found in two and three dimensional art.

Every class has demonstrated their drawing skills by contributing to a 'texture' art lesson by creating different drawings using oil pastels and edicol dye.

## Sports

Well done to all students who tried out for the inter school sports last week. Everyone's efforts were commendable. Teachers have selected the teams, and we play our first inter school game this Friday against Piara Waters at Caralee Community School. We have three netball teams with Team A Captain Alee Garrett, Team B Captain Ashley Simpson and Team Captain C Shae Ryan. Soccer Captain Team A William Sumaili, Soccer Captain B Church McLeish, Hockey Captain Jean Nundle and AFL Captain Jack Blurton.

On Monday 18th May 2015, 30 students from years 4-6 will be selected to attend AFL Multicultural

GALA Day, held at Morris Buzacott Reserve, Kardinya.

Students from Caralee will be able to participate in a round robin AFL tournament, AFL skill stations and meet West Coast Eagles players such as Nic Naitanui. The multicultural day is an AFL inclusive event aiming to welcome new players from all backgrounds and skills levels to Aussie Rules Football.

## Choir

Well done to the Choir on your outstanding performances during the first week back! The ANZAC performance at Weeronga was fantastic! The residents also enjoyed sharing family photos and stories about the war with the children, and listening to *their* family stories.

The Choir also performed at the school ANZAC assembly and again did a tremendous job. Well done!

This term will be busy as we have our next performance on Thurs, 21st May (Week 5) at the Melville SingFest. Please return permission slips as soon as possible.

## Building Stronger Families - a course for the whole family

This six-week course is designed specifically for families with children **over the age of 10**. Inclusion is the key, and any adult involved in the parenting process is invited to come along and learn the skills needed to keep your family healthy.

Parents learn how to be leaders and role models in your fly. Children learn how to be special and also how to belong. This course is based on the work of George Douk and Florence Creighton, authors of *Survival Skills for Healthy Families*.

### Participants learn

- Three basic skills: speak, listen and cooperate
- Six steps to resolving conflict
- Six steps to solving problems
- Three patterns that healthy families use

### Each family will learn

- Three ways to encourage one another
- How to build on the strengths in their family
- Six rules for successful family meetings
- Society's rule on abuse and neglect

## Transition from Playgroup to Kindy

Successful transition to school is a long term process starting during the early years before a child's first days at "big school". This workshop will show families how they can simply and affordably make real differences in their children's social, emotional, physical and cognitive development so they are ready to attend and thrive at school.
