Kindy Enrolments

Enrolment Packs are now available at the Front Office

Hello again. The first important news is there is a **PUPIL FREE DAY FRIDAY 3rd JUNE**. This gives our teachers the opportunity to share ideas and best practice with other teachers from schools in the Riverside Network. In the afternoon, our teachers will be investigating interesting ways of teaching the new Geography curriculum using resources available from the WA Museum. There is also a new Digital Technology curriculum being introduced and I accompanied Year 5 teacher, Ms Wain, to learn how to use the new digital resources we will receive soon under the Science, Technology, Engineering & Maths (STEM) initiative. We look forward to DI students showing our teachers how to use these new resources to support learning in the classroom using technology.

The CI assembly about random acts of kindness is a timely reminder for all of our students to remember the **virtue**

of kindness. We have had a long standing saying 'Click off, walk off & find a teacher' if children find themselves in situations they don't feel comfortable with in the playground or around the school. Our new buddy bench is a fantastic way children can demonstrate kindness by asking children to play with them if they find someone sitting alone on the bench.

I would like to take this opportunity to recognise the efforts of one of our school officers, Mrs Emma Charlton, for her wonderful efforts in raising money for **cancer research**. Emma has co-ordinated morning teas across many schools in the City of Melville, including Caralee, and I know the Mayor has recognised her efforts. This year the morning teas have raised over \$9,000 and we appreciate the work Emma has put into this annual event.

Still with the City of Melville, Councillors recently recognised the efforts of our Education Officer, Ms Mel Brown, who has worked with a

number of children at school and after school in the Willagee Library. Her work, in conjunction with the librarians, has seen our children take the lead in using the library resources for homework and their school attendance and school results are improving as a result. The **City of Melville** have agreed to a partnership that will allow Mel to work another day in the school to help support the two homework sessions she supervises in the Willagee Library. I would like to thank Councillor Lisa O'Malley for her support, and keep an eye out for a story in the Melville Times about this exciting project.

Don't forget **interschool sport** is still on this term. Parents are more than welcome to come and support our teams. Check notes home for details if your child is playing.

CAPORN YOUNG
COME SEE WHY

The **Caralee Ideaz Hunterz** were asked the question, "What would make school cool?" They came up with a variety of suggestions and then voted. The most popular choice was some new soccer goals and heaps of new sports equipment for the Caralee kids to use! Great choice guys!

School Notices

Year 6 Fundraising

Well done to all of the Year 6's who have been earning some money to go towards the end of Year 6 celebrations.

The **Student Leadership Group** decided to offer their services to staff and parents, and made their cars shiny and clean. The 'clean team' washed about 20 cars, did a great job and raised over \$200 — so it was well worth the effort!

Music & Drama

As we are coming to the end of our **rhythm units**, the students have been completing written and performance assessments to show what they have learnt. Our performance assessment included an improvisation activity on the African drums. The children enjoyed participating in rhythmic games like 'Let's All Play Our Drum' & 'Don't Clap This One Back' before demonstrating their improvisation skills with the rhythms they have learnt.

Choir

Well done to the choir for a successful performance at this year's '**Singfest**'. I was so proud to see the students get up there and perform 'Feels Like Going Back Home' for the audience & I can't wait to start preparing for our next performance.

Miss Rhiannan Longley, Music Specialist

Sport

2016 Burley Sekem Design a Jumper Competition

Each year the WAFC, in conjunction with Burley Sekem, run a 'Design a Jumper' competition for primary schools across WA. The jumpers are displayed at Domain Stadium and voted on by WAFC staff and stakeholders. **Jacie and Callan Albrecht** had their designs entered. Unfortunately their designs were unsuccessful, however WAFC and Burley Sekem appreciated their designs and efforts and have awarded the school a Jumpers Grant to the value of **\$500** to put towards new jumpers for our school. Well done Jacie and Callan!

We will be holding a voting process in the art room for the best design to be printed and made into jumpers.

On Friday, 27th May 2016 we had our first **Interschool** game at Caralee against Riverton. An appreciation goes to all teachers and students who participated in the inter school preparation. Thank you to Shannon Baskerville for umpiring the Hockey, Daren Bell from the East Fremantle Football Club umpiring the Football, Alec Garrett and Anya Demegillo from MSHS umpiring the Netball, and Phil Sumaili umpiring the Soccer. Congratulations to the AFL and Soccer teams for winning their games, and a draw to the Hockey team!

On Thursday, 16th June, Caralee Years 4-5 Girls will be playing in an afternoon **Netball Carnival** at Meville Senior High School. Our prac student Emma Bryant will be conducting netball try outs for the girls this Wednesday, 1st June 2016. 8 lucky girls will be representing Caralee in the A Grade carnival - Good luck to all who try out.

Miss Aleisha Cotton, Sports Teacher

Art

The art room is looking spectacular this term with all the children's space designs. Students have been using different medias and techniques such as edicol dyes, clay, splatter painting, collages, 3D and 2D designs, line drawings etc. Please come in and have a look at the children's work.

Years 4-6 students have their last art assignment for the term; they have a free choice artist. This term they were given either Salvador Dali or Pablo Picasso. Once again, I have been receiving some breath taking pieces and am currently still in the process of marking and returning their grades. Just a reminder to students to make sure that they take their time with their assignments as it goes towards their overall assessment grades and also towards a mini excursion in Term 4. Students have three weeks to complete an assignment and they can come see myself or Sam Atkins for assistance or materials.

Miss Aleisha Cotton, Arts Teacher

Join us for **FUN AT THE FAIR** with the **BOOK FAIR** being run from Tuesday, 21 to Friday, 24 June in the School Library. **Volunteers Needed!** Please call Natalie on M: 0429 100 096 to be part of the team :)
