With holidays rapidly approaching, we are already at the final newsletter for Term 3. The term has been huge for Caralee with many events occurring, and still to occur, in the last few days of term. In particular, we look forward to seeing many of you at Caralee's Parent Night this evening.

As per the note I sent home earlier, Caralee applied for IPS status in 2017 but we were not successful. Although disappointed, we realise the feedback will be invaluable should we wish to proceed again with this initiative in the future. All of our successful targeted learning programs that we have provided showed **record results this year**, and our specialist programs continue to see Caralee at the top of a range of sports, and these will remain in place, now, and in the future. I'd like to again thank our School Council Chair **Mrs Karen Ramsay** and the **School Council** for all the support they have

provided the school in 2016.

The **Faction Carnival** was another great event with Gold Faction winning the outright Faction Shield and Tabloids Shield. Our next focus will be the **Interschool carnival** which unfortunately coincides with **Swimming**. DoE send us the swimming dates and the clash could not be avoided. Children attending swimming and interschool will only be charged once for buses. Ms Cotton has been busy again working with the WACA on **girls' cricket**. Check out our website for a fantastic video of our cricketer girls.

Ms Longley put her best foot forward with a wonderful **Caralee Dance event**. We have received very positive feedback and are very pleased with her first time effort at conducting this annual event. Ably assisted by Ms Taylah Reynolds, the children showed off their skills developed over the term. Ms Longley is already

planning for the Christmas Concert which will be here in no time.

Finally, **Science Week** is under way with classes busily studying the physics of flying by making paper aeroplanes and adapting and adjusting them to meet the criteria to win our *Paper Aeroplane challenge* for finalists on Wednesday. As aviation is a topic dear to my heart, I will be assisting Mr Rajecki, who put the challenge together, with the finals. A big thanks goes to the RAAFA Aviation Heritage Museum for donating prizes for the event and Mr Rajecki for planning the event.

Have a safe and happy holidays and I look forward to seeing everyone as they return for Term 4 (**students re-commence on Tuesday, 11th October**).

### The Caralee Cats

Congratulations to both Caralee Cats teams for a very successful netball season.

Caralee Cats I had a fantastic final where they lost narrowly in overtime.

Big thanks to the coaches, Liona Caruana, Catherine Elliot & their respective managers/assistants.

## T20 Hype Reel

On the 16<sup>th</sup> of September, girls from D1 and D2 participated in the **MILO T20 Blast Cricket** and received the opportunity to be interviewed and filmed for the WACA. This video will be presented on the **Scorchers** website to promote girls cricket. This was a great opportunity to show case Caralee's talent for girls in cricket. The girls received autographs from *Piepa Cleary*, their famous *Scorchers* cricket player. The State Finals will be held at Yokine Reserve on the 27th Oct 2016, and we have two female teams entering. There will also be a boys team that Mr Rajecki is currently selecting.

## Sport

### Faction Athletics Carnival

On Friday, 9<sup>th</sup> September 2016, *Caralee Community School* and *Fremantle Language Development Centre* celebrated a successful sports carnival. It was great to see all the students dress up in their faction sport shirts and add colour to their faces with zinc and glitter. A big **congratulations** goes to **Gold Faction** for winning both the Tabloid and the Faction Shield. We started off the day with Pre-Primary races, and they all looked amazing for their **first ever races**! We then went into the Year 1-6 Flat races and the Champion races. It was great to see students running with a smile. The Champion races are always my favourite as it determines points towards Champion Boy and Girl. We were extremely lucky with the weather and we had an amazing number of parents who came to support their loved ones.

I would like to personally say a big **thank you** to all the admin staff and teachers from both schools for supporting me with the setup of the school carnival, plus the P&C for organising the coffee van and cake stall. To the parents for cheering and showing CCS and FDLC so much support, we wouldn't even have this carnival without them!

**Year 1/2 Champion Boy: Luke Paul**

**Year 1/2 Runners Up: Jake Sanders**

**Year 1/2 Champion Girl: Piper Bartlett**

## Music

### Dance

Well done to the children who performed at our annual **Caralee Dance Concert** last week.

I'm so proud of every single one of you for performing your routine confidently and in time with the music - well done! I'd like to say a big thank you to Taylah Reynolds from *Lil Boppers Dance Company* for coming into our school & working with the Year 1-6 students this term. They've enjoyed every single lesson with you, and will certainly miss your teaching next term.

**Miss Rhiannan Longley, Music Specialist**

## CHOIRS4KIDS

### Does your child love to sing?

Our programmes are a great way for them to expand their singing skills in a fun, relaxed environment.

**Sing because...**  
It boosts confidence and self esteem  
It is highly motivational  
It improves reading and motor skills

Highly qualified teacher with many years experience in schools and theatre groups

### Singing Joeys

group for young children aged 3 to 6 helps develop speech and voice control

### Singing Roos

group for primary children aged 7 to 11 have fun singing with friends in a relaxed environment

#### Parent feedback

"We absolutely love Sue and her singing classes! She is so patient and lovely with the kids."  
"Movement is given as much importance as song and the kids can join in at their own pace when they feel comfortable."  
"I love that the songs the children learn are not the stock standard and Sue is introducing them to techniques like breathing at this early age."
