Kindy 2017 Orientation

Welcome back everyone for our **last term for 2016**.

As I am writing to you as Principal, I am pleased to announce that I have been appointed as Principal for Term 4. Now that Mr Anderson has officially retired, the Department of Education (DoE) will commence the process of seeking a new Principal in the New Year, subject to State Government employment policies. With my Deputy position vacant, and a number of staff taking **long service leave** in line with DoE requirements, we have a number of new staff for Term 4. Mr Murray Watkins has joined us from Charthouse PS as Acting Deputy, and Mrs Janine Wain is also Acting Deputy filling in for Mrs Norman, who is on LSL. Filling in for Mrs Wain in DI is Ms Natalie Voakes, who has worked previously at Caralee. We also welcome Ms Tamisha Garrett, who is filling in for Mrs Julie Cummings part-time, as she is also required to take LSL this term. We have been very fortunate to have some quality teachers fill in so our teachers can take LSL. We appreciate the efforts of these teachers, and

patience of parents, in order that we meet DoE requirements for 2016.

Most parents would be aware of the Independent Public School process that had been completed and that Caralee will not be an IPS for 2017. I have received feedback from our Regional District Director (REO), Ms Sue Cuneo, regarding her input to the process. She acknowledged that the school had gone 'very close' to achieving IPS status, and provided the IPS team with some insights from her perspective. These perspectives will be presented to the School Council and will be made available for parents to consider. Importantly, Ms Cuneo acknowledged the work done by staff and parents to move Caralee closer to embracing more autonomy in the future through the IPS process.

As per last term, **Term 4** is looking to be as action-packed and full of fantastic learning opportunities for children from Kindy to Year 6. Kindy parents will note on the Term Planner that there are events scheduled for the Jellybeans and Lollipops 2016 groups in Week 9. These are the End-of-Year celebrations, and notes will come home about

that. Term 4 is traditionally our inter-school athletics term, and children from Years 3 to 6 are participating in those activities this week. Year 6 students will be attending camp at the Ern Halliday Recreation Camp in Week 5. Parents have been notified that there will be an information session for this event on Friday, 21 October by Mr Watkins, who will be supervising the camp. As we begin to look at classes for 2017, we understand some parents would like to request a teacher or provide information for the admin team to consider when placing children in classes. Parent input must be in writing and received no later than Friday, 4 November. Every effort will be made to consider any request but the final decision rests ultimately with the admin team.

And finally **congratulations** to our fantastic PE teacher, Ms Aleisha Cotton, on her engagement to Kyle. We wish them all the best for the future!

Jason Shapcott
Principal

national science week

The school was abuzz with paper planes of all different designs and colour flying, floating, gliding, and loop-the-looping everywhere.

The culmination was the contest.

Winners were:

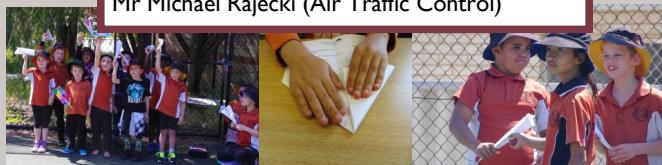

Longest Flight: Keon Tough (C1) - 13m Closest to Target: Anthony Humes (D3) Ultimate Air Time: Carl Sistena (D1) - 4 secs.

A big thanks to Mrs Bullock, Sam Atkins, Mr Shapcott, teachers and students.

Sadly, the world records for the *Longest Flight* of 69.14 metres and *Ultimate Air Time* of 29.2 seconds were not beaten.

Finally, a big *Thank You* to the RAAF Aviation Heritage Museum and QANTAS for providing prizes.

National WATER WEEK

16-22 October 2016

WHAT'S THE WEEK ALL ABOUT?

"National Water Week provides an opportunity to remind ourselves and teach others that water must be used wisely if there is to be enough to meet the needs of our future generations. While the week is dedicated to encouraging communities to take action to protect our vital water sources, it's also a celebration of innovation and water achievements that have and will contribute to Australia's sustainable future and economic prosperity".

As part of our commitment to being a Waterwise School, Caralee CS staff and students will be undertaking many activities and discussing ways to conserve and protect our water supply.

Examples of students work will be displayed in the school library for all to see.

P & C News

CARALEE COMMUNITY SCHOOL
P & C Fundraising

P and C News

Quiz Night.

Well if you have not heard the Quiz Night has **sold out!** Thank you to everyone that is supporting our biggest fund raiser of the year. It will be an awesome night. Don't forget to bring extra money for the raffle and auction. Direct transfer will be available for big ticket items!

We would like to thank all the fantastic business that have put their hand up to support the night. We thank you all. It's amazing how much support Caralee has from the community.

We would also like to thank all the **wonderful parents** that have donated items for the raffle. You are amazing and we could not do it without you.

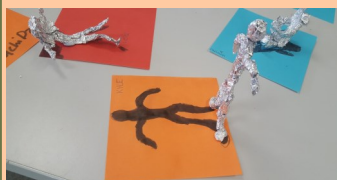

Disco

The P and C are planning an end of year Disco for the students. Stay tuned for the date. It is always a great time for the kids.

Canteen

Summer menu is out now. Please see Tracey in the canteen if you don't have a copy of it.

Visual Arts - D2

Students in D2 designed human sculptures out of aluminium foil and drew their shadows in the background for more dimensions.

These will be displayed in the library.

Next week students will be looking into pottery and utilising the school's kiln.

Sport

"A" Division Interschool Athletics

Caralee Community School will be participating in the Cockburn District School Sports Association "A" Division Interschool Athletics Carnival this Wednesday, 19th and Friday 21st October 2016. This will be held at Santich Park, Spearwood. Permission slips were sent home last week with students events highlighted. On Wednesday, selected students will be participating in the jumps, throws and long distance and on Friday selected students will represent Caralee in the short and long distance running and team tabloids. We wish all students the best of luck.

Cricket - WACA

Last week we had Cherie and Trent come and visit our school from the WACA. PE classes got to participate in a lot of skills based cricket activities. We have had so much positive feedback and all students had lots of fun learning new cricket skills such as "YES", "NO" and "WAIT".

This is a great opportunity for all students to practise and learn new skills, as our school loves participating in the cricket carnivals.

We have 2 x Girls teams and 1 x Boys team representing Caralee in the Regional Finals this term.

GIRLS, remember if you are interested in playing for Caralee in an All-Girls Cricket Team, please register ASAP via www.playcricket.com.au and follow the steps below:

Applecross SHS Young Masters Workshop for 2016

Congratulations to **Greta, Jolina, Danielle, Kaylen, Lila, Carl, Ben, Cooper, Alice and Cosmo**. These students have been recognised for their artistic skills and have been given an opportunity to attend the Applecross Senior High School Young Masters Workshop for 2016. This workshop is hosted by the Gifted and Talented Visual Arts department.

This is a unique opportunity for aspiring Gifted and Talented Visual Arts Caralee students to be immersed in an intense Special Art workshop with Applecross students. All the best with this opportunity!
