MSHS Gold Star Award :—
Ex-student, Hayley, was a high achiever last year; only 30 pupils received this award out of 1,414.

Last newsletter our teams were busily preparing for the **South Metropolitan Girls Multisport Carnival**. After all their hard work and training, I am pleased to announce our teams won most of the sports offered on the day. I would like to thank Ms Cotton and Sam Atkins for supervising and preparing the children so well for this event and the teachers who altered their preparation time to support this important activity.

Today was our annual **Harmony Day Breakfast**. It was another fantastic success with lots of parents and children from Caralee and FLDC enjoying an egg and bacon muffin. Thank you to the parents and children who took the time to dress up in national costume which made the day a very special event. Our random sample of children in

national dress at assembly definitely favoured a Scottish majority followed closely by the Irish!! It was fantastic to see many of our Indigenous students also dressed to represent their culture.

D1 students followed up with a wonderful 'We Are the World' item in support of **tolerance and harmony**. Thankfully TED only stole the show during the TED certificates with Mrs Norman being very **tolerant** of his antics!!

Two teachers who couldn't attend Harmony Day were Ms Longley and Ms Doyle as they were busily attending the **DREAM** Science, Technology, Engineering and

Mathematics (STEM)

professional learning that was paid for by P&C fundraising last year. This training will support Ms Wain as they help teachers prepare for the new Digital Technologies curriculum this year.

The **P&C** were busy again fundraising at the election and I was privileged enough to be allowed to flip an egg or two by P&C volunteers Louise Brown and Lachie Tuppin. This was again a fantastic fundraising event and I'd like to thank the staff and parents who helped out. I look forward to the P&C rolling out Easter events closer to the end of the term.

P & C News

Thanks

The P&C would like to sincerely thank the members of the Executive Committee who stepped down this year after taking on roles for a number of years.

The contributions of Lachlan Tuppin, Jen Scott and Natalie Mathews has been very much appreciated. They will still be around however offering support and the benefit of their experience to the new team.

Great to see fresh faces wanting to have a go at the leadership positions. We are set for a great year!

Bakers Delight

We hope Kindy families are enjoying their bread from **Bakers Delight**. A big thanks to Matt and the teams at Kardinya and Melville Plaza for including Caralee in this healthy eating initiative. Other year groups - don't worry- your turn will come!

Easter Raffle and Guessing Competition

Easter will soon be here! Please don't forget to drop in donations for the Easter raffle so that hampers can be put together.

Remember great donations make great prizes! Books, craft, chocolate or wrapping materials all welcome at the front office.

Raffle tickets have gone home. Please return the sold ones to the office by **Fri 24th March**. If you would like more, then please see the office also.

Leading up to the final assembly, a **Guessing Competition** of "Easter Eggs in a Jar" will be held in the Undercover Area.

Come along with 50c on Monday and Tuesday **27th and 28th of March** before school, at Recess or at Lunch and see the counsellors to record your guess!

To keep up to date with these events and other happenings within our Caralee CS Family, visit us at <https://www.facebook.com/caralee.p.and.c.2016/>

Music

The students at Caralee have been learning about 'form' in music.

Form is the way a song can be broken up into different sections like verse, chorus and bridge.

The lower school students listened to the *Star Wars* theme song & used a parachute to show when the music changed to a different section. The upper school students worked in teams, listening to pop songs and identifying the different sections in the song.

Drama

In drama, the students have been performing scripts and expanding short scenes from fairy tales. Check out these photos of *Jack and the Beanstalk*!

Miss Rhiannan Longley, Music Specialist & Drama Teacher

Sport

On Thursday, 9th March 2017, 50 girls from Caralee represented their school in the **All Girls Multi- sports** held at Hammond Park Sporting facility. Each team played a round robin game of AFL, Netball and Cricket.

All teams represented themselves and the school extremely well.

Two teams were awarded the Dockers Cup and Cricket Shield and won all their netball games.

Thank you to Catherine Elliot, Sam Atkins, Taylah Reynolds and Natasha Garrett for supporting and organising teams.

Miss Aleisha Cotton, Sports Teacher

STUDENT LEADER PROFILE

Hi, my name is Danielle, and I am the new Head Girl for 2017.

Hopefully you all enjoyed your Harmony Day because I know I did.

The Student Leadership excursion in next Friday for the Year 6 Leaders, so be ready for that.

There has been a lot of sport going on lately. Good job to all the girls who participated in the Girls Multi-sport Carnival—they all did a fantastic job.

There will be a fundraiser at school to see if anyone can guess how many Easter Eggs are in a jar, so be sure to look out for that next week.

There will also be an Easter Raffle, so make sure you get those tickets in.

That is all from me, so see all

of you around the school (and in Harmony Day style).

Melville Minkey

REGISTRATION NOW OPEN
www.melvillehockey.com

Minkey is a modified version of hockey for mixed teams of girls and boys in Pre-Primary to Year 3. It is played on small field with 6 or 7 players in each side. All games are played at Morris Buzacott Reserve in Kardinya on Saturday mornings.

Grads Hockey is a transition from Minkey to Juniors. It is a 9 per side game played on a 3/4 sized field and is aimed at Year 4 students.

Season commences on Saturday the
6th of May 2017

We also have teams for everyone else in the family. No experience necessary!

KIDS ARE KIDS!

THERAPY & EDUCATION CENTRE INC.
REACHING POTENTIAL TOGETHER

'LITTLE MUNCHERS & CRUNCHERS' GROUP PROGRAM TERM 2 2017

The Little Munchers and Crunchers Group is designed for children who are picky and fussy eaters. Based on the Sequential Oral Sensory (SOS) Approach to Feeding, it focuses on creating a positive and comfortable learning environment for children to explore and learn about the different properties of food, such as smell, texture, and taste.

The group will help your child to:

- Learn to have a positive experience with food
- Learn mealtime routine and cues to eating
- Discover and explore food through their senses
- Learn through social modelling by imitating others
- Develop oral motor skills

Children will benefit with personalised assistance; each session will be hosted by an SOS trained Occupational Therapist and a Speech Pathologist.

Who: Children who have a limited variety of tastes and textures in their diet, demonstrate food refusal, have challenging behaviours around eating and meal time, or experience difficulty participating at meal times.

A parent is required to attend the group with their child so that strategies can be practiced and further developed at home. Unfortunately supervision for siblings is not available.

When: Weeks 2 to 9 of Term 2, 2017
Tuesdays from 3:30pm – 4:30pm
8 weeks starting on May 2 ending on June 20.

Cost: \$962 for the 8 week program.
Kids Are Kids! is a registered provider of Helping Children with Autism (HCWA), Better Start for Children with Disability, and WA NDIS. You may be eligible for a rebate through your private health care provider or Medicare rebates can be discussed with your General Practitioner.

Where: Kids Are Kids!, 26 Parry Ave, Bateman 6150

Register your place: Places are limited, so please email your completed registration form to groups@kidsarekids.org.au. Registrations close 7 April 2017.

Please call us on 9313 6566 if you would like further information.
