

fresh ideas
leading to
success!

Caralee CS P & C have had a very busy and successful year in 2017. This could not have been achieved without a dedicated number of hard-working volunteers who organise events to promote a cohesive school community, as well as raising funds to provide much needed resources and facilities for our students, raising nearly \$20,000 for the year.

Contributions

In 2017, this included new books to our library worth \$1,400, new Audio Visual Equipment for assemblies and events (\$10,000) and assistance in the acquisition a \$50,000 donation, courtesy of Peter Tinley, for the new Junior Nature Play.

The P & C successfully run the Canteen and Uniform shop. Having these two services on the school premises adds convenience to students and families through the school year.

Fundraising

The P&C organised and coordinated some fantastic social and fundraising events, such as Election Stall, Bunnings Sausage Sizzle, Easter Raffle, student designed tea towels, Lapathon, Book Fair and the big finale of the School Fete.

2017 saw the introduction of the Fathering Project into Caralee CS, known as the "Gee Dads". Running a very successful Sports Day in Term 4 and with more activities to come in 2018.

Online Ordering was introduced to our Canteen, and next year we hope to do the same for the Uniform Shop. Our Canteen also had a shop front facelift and new name of "Carlee's Kitchen", as well as new menu ideas of healthier meal options, which we hope to again carry on through next year with the continued support of volunteers.

The P & C would like thank everyone for their support and help throughout 2017, and wish all a safe and restful festive season.

Our next P & C Meeting will be our Annual General Meeting (AGM) on Tuesday 13th February (Week 3) at 7pm in the staff room – new members always welcome. Please come along and be a part of our P & C community, ask questions and be involved.

Our fundraising super stars are already planning for 2018.
