*Students Return for Term 4*

With **swimming** underway, I would like to thank all those parents and carers that were able to pay on time, and ensured that their children were ready to go. It is always a busy fortnight but things are going very well. We have had some difficulties with parents accessing **ACTIVELINK** at the City of Melville. We will need those payments in well ahead of time in future, due to changes in processing procedures implemented by the City.

Our new **STEM path** is now open and I invite parents and children to think of an appropriate name. It became apparent, as students moved to and from the

new Science Lab, that a goat track had formed which was made worse by the shade of the trees. The solution was to incorporate the Science-themed concrete stamps we already had from a community project and link our Arts (Music & Specialist Art) classrooms to the Science Lab. Therefore, the acronym **STEAM** (Science, Technology, Engineering, Arts & Maths), which is being used more and more, seems more appropriate. **STEAM Way??** Have your say and let us know what you think.

Our **0-4 Early Years Supported Playgroup** recently had a break while FLDC Early Years teacher Michelle Green took leave. This has allowed us to re-prioritise the playgroup towards **Caralee families only**; as the playgroup was so successful, many people had joined it from far

and wide. We are still collaborating with the FLDC but it will now be run by the Caralee/FLDC School Chaplain Jane Duff supported by an Education Assistant from FLDC and Marilyn Overy from Meerilinga. Jane has been looking forward to singing songs and supporting families and children next term. **Please register your interest at the office.**

Don't forget **Parent Night** is not far away; 5.00pm – 7.00pm Wednesday, 19<sup>th</sup> of September. There will be a sausage sizzle for families (kindly provided by *Winthrop Gardens IGA*) and all classrooms and specialist areas will be open to view the work on display.

I encourage all parents to engage with teachers on the night. Please book a separate time for a more in depth discussion on your child's academic progress if you require it.

**Jason Shapcott**

### Switch to a water efficient showerhead

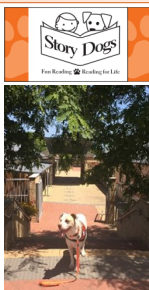

Switch to a WELS 3 star or above water efficient showerhead. By switching to a water efficient showerhead you can reduce your shower water by a quarter.

## Rambo in Perth - My Blog

Hello - My name is Rambo and I am a Story Dog.

I volunteer at Caralee Community School and I love books and children - perfect!!! I write a blog about some of the things I get up to while not volunteering.

Dear Diary,

Here I am at the **Willagee Library** admiring the amazing art work in the courtyard - oh, and you can get homework help here on Mondays and Thursdays between 3.00pm and 4.00pm. (You can get fruit too - how good is that!!)

Rambo

## From the Chaplain

Hi all,

I hope you're enjoying Term 3.

With the warmer weather making an appearance, it's a great opportunity to get outdoors. Playing outside brings such great benefits, not just Vitamin D.

Have a great week

Jane Duff, Chaplain

In vigorous outdoor play, children deliberately dose themselves with moderate amounts of fear— as they swing, slide, or twirl on playground equipment, climb on monkey bars or trees, or skateboard down banisters— and they thereby learn how to control not only their bodies, but also their fear.

Peter Gray

2018 'One Big Voice'

## Events

On Wednesday, the 15<sup>th</sup> of August, **Rick the Rock**, the official West Coast Eagles mascot, and **Bradd Dalzeill**, a former West Coast Eagles player, visited Caralee.

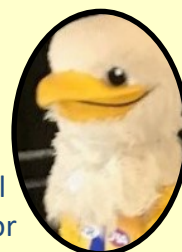

Rick the Rock and Bradd had some important messages for our students about keeping active with a minimum of 30 minutes exercise each day, persevering, being a good team mate and showing resilience.

Bradd summed up the message with the following message for Rick the Rock fans:

**R** stands for relationships (being a good friend, team mate and having a support network)

**O** stands for optimism (staying positive)

**C** stands for calm (remembering strategies to stay calm when we feel angry, frustrated or disappointed)

**K** stands for Kindness (remembering to show kindness and respect to others)

It was a fabulous morning enjoyed by all students and staff! A big thank you goes to Mr Acott for organising this event!

**Mrs Jennie Dawson, FLDC**

## Choir

On Friday 17th August, the Caralee Community School Choir performed at the massed choir event 'One Big Voice'.

The students sang and danced with thousands of other students in front of family and friends at the Perth Arena.

The Choir did an outstanding job, singing confidently in front of the large audience and demonstrating exemplary behaviour throughout the day.

Special thanks goes to Ms Crawford, Ms Deery and Mr Atkins for their support at 'One Big Voice'.

**Well done, choir members!**

**Miss Rhiannan Longley**

Anthony Humes

## Sport

Forty students were selected from Caralee to compete in our annual Interschool Cross Country last week at Manning Park. The students had trained hard during the term, and were competing against 11 other schools. It was a fantastic day and all competitors completed either a 1.5km or 2.25km run.

Each and every student that raced did the school proud and pushed themselves to do the very best they could do. Caralee CS performed extremely well, and congratulations to the following students who ranked in the Top 5 of their age group.

Anthony Humes (Year 6 Boys) 1st  
Keira Paul (Year 6 Girls) 4th  
Jack Perryman (Year 5 Boys) 4th  
Luke Paul (Year 4 Boys) 3rd  
Sarah Heyden (Year 4 girls) 5th

Well done to all the students that came to our morning training sessions and tried out for the team. **Congratulations to all those who competed.**

**Mr Sam Atkins**
