Welcome back everyone to Term 4. Very soon our **Year 6 students will be heading off to camp** at Busselton with Ms Wain and Ms Longley. We greatly appreciate the parent support of Candice Paul and Richard Hatton who are also attending. We wish everyone attending well, and hope the experience builds memories that last a lifetime.

Term 4 is traditionally a busy time for Year 6's as they also have graduation later in the term. There is also their transition to high school, which is another exciting time.

Please be sure to support the Year 6's in their latest fundraiser - the **Ten Cent Coin Chain Challenge** - due this Friday, 19th October.

The Year 6's, including

upper grades, also have **interschool** this week and I'm sure our competitors will represent the school well.

Last term, the school was granted **Independent Public School** status from 2019. Our school council parent representatives, Karen Ramsay and Amanda Buisman, will accompany me to the IPS launch and training to become a Board later in the term. Part of the IPS development process was the IPS survey, which parents returned in great numbers. Parents may also recall being surveyed as part of the **National School Opinion Survey** which is every two years. Many of the questions are similar to the IPS survey but unfortunately we are

not exempt from it. You will receive an email request to complete the survey and paper copies are available at the office. The survey is very important to help us gauge if we are meeting parent expectations and the new School Board will review the findings. Please help us be the best school possible by having your say.

By all reports the **P&C Quiz Night** will be a great night, and thanks to everyone who booked a table. I look forward to seeing everyone there on the night and it traditionally raises a lot of money for the school. The P&C have been fantastic this year with the events run and we appreciate the time and hard work put in by all the volunteers.

Teaching our kids about good saving habits!

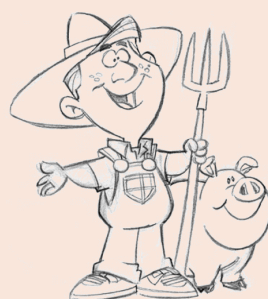

The **School Banking** program has been run nationally by the Commonwealth Bank since 1931. All you need to get involved in the School Banking program is a Commonwealth Bank *Youthsaver* account. You can open an account for your child in one of two ways:

- 1. Online:** Visit [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking) and click on the link to open a *Youthsaver* account.
- 2. In branch:** Visit a Commonwealth Bank branch with identification for yourself and your child, like a driver's licence and birth certificate.

If your child has an existing Commonwealth Bank *Youthsaver* account, they can start banking straight away. They just need to bring their deposit on **School Banking Day** using their Dollarmites deposit wallet.

**School Banking Day** is **Thursday**. Each week you need to bring the deposit book up to the Front Office. You will also have the chance to receive a range of items to help you save.

If you would like to know more about school banking, please ask for a School Banking program information pack from the school office or visit [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking)

## Music

This term **B1**, **B2** and **C1** have started learning djembe and cajon rhythms. **B4**, **B7** and **B5** are active in song and movement, using a variety of percussion instruments. **B3** are excited to have a go at recorder, and **D2** and **D3** are set to make never before heard musical mixes on Traktor S2 DJ app. If D2 & D3 students take an interest in continuing their practice at home, the app is cheaply available and works in conjunction with Apple Music.

In Term 3, lower school students composed some beautiful songs on the glockenspiel and performed them to the class. Middle school persisted with recorder, learning two simple songs and also composing their own songs. Upper school worked in groups with chord song books, playing three popular tunes on ukulele or guitar. Performances to the class were of very high standard, with accurate timing and well projected singing voices.

## Visual Arts

### HALLOWEEN COLOURING COMPETITION

This Term Mrs Craen is holding a "Halloween Colouring Competition".

There are three pictures to select from for the most "Neatest and Inspiring" Halloween colouring in. One winner will be selected from each year group and the winner will be announced on Wednesday, 31st October 2018.

If you don't follow Halloween, come and see Mrs Craen for an alternative colouring in picture to enter.

### THERAPY FOCUS

Every year Caralee enters the *Therapy Focus* competition and, over the school holidays, a panel of judges were tasked with the difficult job of selecting 80 finalists and 20 winning artworks to

feature in the children's storybook, *If I Met a Baboon Who Lost His Balloon*.

The storybook author, Sean E Avery, then selected one of the finalist artworks to feature on the cover - giving us a total of **79 finalists** and **21 winning students!**

**A massive congratulations once again to our finalists:**

- ◇ **Chrystal Crabtree**
- ◇ **Jacie Albrecht**
- ◇ **Sarah Heyden**
- ◇ **Charlie De Bruyn**

### ART EXTENSION EXCURSION

Last term, our **Art Extension** students from Years 5 and 6 went to Kings Park for their "Nature and Landscape" excursion.

Firstly, a massive thank you to Mrs Karen Ramsay for coming along and acting as a wonderful volunteer and counting the students every 10 minutes. Also, well done to all students for their wonderful behaviour. We were complimented, on numerous occasions, on students politeness and art work.

Students were given the opportunity to learn about nature and landscape with the lovely surroundings of Kings Park, and from there, they learnt about fast sketching and details.

This term, students have been given a canvas to paint their final pieces on, which will then be displayed in the library for all of you to see.

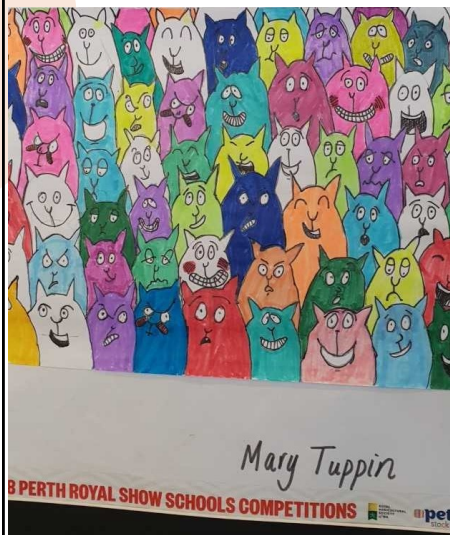

### PERTH ROYAL SHOW "CATS"

This was our first year participating in the **Perth Royal Show**, and well done to the selected students who handed their work in at such short notice. Their work was displayed in the Cat Pavilion, and Miss Doyle and I had the pleasure of viewing your lovely pieces.

I look forward to next year, as we will now have the knowledge of all the wonderful competitions we can enter at the show.

### ART ASSIGNMENTS

I just want to acknowledged all students who have tried their personal best with their art assignments and handing them in all on time.

You should all be proud of yourselves and your commitment and time management skills in completing these assignments.

Thank you parents for your encouragement and motivation at home with your children and these assignments.
