Welcome everyone to the last newsletter of Term 3.

As predicted with such a busy term, there is so much to write about from planned activities, as well as some unexpected but positive developments for some of staff.

We are pleased to welcome late in the term **Ms Katie Elendt** as teacher in B7, and **Mr Craig Beard** as Deputy Principal. The B7 teacher, **Ms Janelle Murphy**, has been successful in a promotional position that will see her move to the North West for the rest of year, and possibly all of 2020. We wish her well in her endeavours, and welcome Ms Elendt who was the standout applicant due to her previous work at Caralee. Mr Beard joins us as Deputy Principal, because **Mr Acott** has received a long awaited transplant operation in Sydney and will return later in Term 4. Mr Beard is very experienced from the *School of Educational Needs: Behaviour & Engagement*, and will be with us Wednesday to Friday. Our well known Art & STEAM Specialist, Mrs Janine Wain will be

DP on Monday and Tuesday. I thank both Ms Wain and Mr Beard for stepping up into an important role.

Speaking of Mrs Wain, she is retaining her Art role, which is fortunate as Caralee received a special mention in the **Picasso Cows Program Awards**. I'm sure you have all seen **Moo Lou** grazing outside the Art room, and I'd like to thank all the students and staff who worked on the project. Other programs that all students participated in this term were **In Term Swimming** and **Edu-Dance**. I'd like to thank all the parents and staff who worked with the term disruptions to make the swimming lessons so successful, and I was pleased with the levels achieved. I was particularly happy with letter from the bus

company saying **they have never had such well-behaved children**. In the same week, the **Edu-Dance** company owner also wrote to say the teachers loved coming to Caralee due to the **positive behaviour of children and support by staff**. Thanks again to the whole Caralee community for making these concurrent events so successful for our students, and I look forward to the **Edu-Dance** concerts on Thursday, 19 September and Tuesday, 24 September.

At the time of writing this newsletter piece, we are due to head into the **Athletics Carnival** and **Parent Evening**. Both events are well supported by parents, and I look forward to seeing parents and friends supporting their factions, and visiting classes to see some fantastic work.

All the best for the holidays, which are not far away, as we get ready for Term 4, and the big **P&C Caralee Community Fete** in Week 7, Friday, 29 Nov from 4.00pm.

### City of Melville : 3-Bin FOGO System

**Did you know?** Contrary to their labeling, **Tetra Paks** (eg. soy, almond and long life milk containers) have been identified as a solid waste problem and **cannot** be recycled.

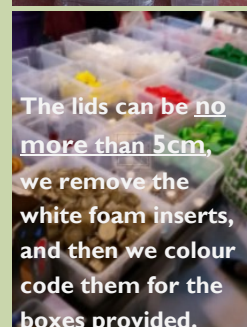

The packaging contains different layers of plastic, aluminium and paper that cannot be separated, and therefore must go in your red-lidded landfill bin.

Over 180 containers were collected this month.

The lids can be **no more than 5cm**, we remove the white foam inserts, and then we colour code them for the boxes provided.

## Choir Mr Matthew Ryder

After weeks of practising and perfecting a tricky song repertoire, the day finally arrived; **One Big Voice**. Performing at the RAC Arena among a sea of students from different schools, the **Caralee Choir** was ready.

The day began with a full rehearsal, which prompted staff from other schools to comment on the beautifully behaved Caralee Choir and their beautiful singing. The rehearsal was also a fantastic opportunity for students to polish up on some of their choreography with the students from different schools. As seats began to fill up, the audience excitement levels grew higher and higher. The show was finally underway with students singing the festival's anthem 'One Big Voice' which was then followed up with 'Old Man Platypus', an adaption from *Banjo Paterson's* bush poem. The Caralee Choir particularly enjoyed singing 'High Hopes', by *Panic! at the Disco* which was accompanied by high energy choreography.

The Choir and audience were also treated to a special performance by *Jordan Anthony* from *The Voice*. Students were amazed that Jordan participated in *One Big Voice* when he was in primary school! Alexander Pitt and Jariah Plumridge were selected to represent the school as comperes for the song 'Can You Hear The Children Marching' and did so to perfection. Well done boys. There was a special moment during the performance when it came time to sing 'A Million Dreams' from *The Greatest Showman* soundtrack. This song featured male and female music teachers singing with the children, and saw myself on stage singing with the Choir! It was a fantastic performance, and an incredible event to be part of. **The Caralee Choir sung beautifully, and made me extremely proud.**

## Sport Mr Sam Aitken

Last week, the upper school students competed in a Cross Country event.

The race was run over three laps, gaining points towards

championships. The students showed their integrity getting behind the students still running and cheering them on.

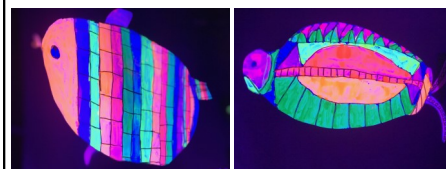

Next week is the sports carnival in which the students have actively been preparing for during sports lessons. This year there will be a change in the student-teacher-and-parent race. We will be changing the event from a relay to tunnel ball.
