Welcome everyone to the last term for 2019. As our **Sports Carnival** was delayed due to weather, this is the first newsletter since the event. It was a fantastic day and the weather couldn't have been better. Many thanks to **Sam Atkins** and staff who supported the children all term with training and activities on the day. Thank you as well to the **P&C** (in particular the **Gee Dads** for cooking up the sausages and **Caralee's Kitchen** for running their special menu) which raised over \$860 on the day. Thanks also to **Natalie Mathews** (and those in support) for co-ordinating the **Year 6 Cake Stall** which has contributed \$576.90 towards fundraising for the Year 6 Camp.

I have mentioned previously that we have some competing activities this term with the **Year 6 Camp** and the Cockburn District Interschool Sports Association on during the same week. I'm sure our Year 3 to 5 students will do their best, but we acknowledge the overall result will be affected by the Year 6 students being away on camp. Speaking of camp, I am pleased to report ALL Year 6 students have the opportunity of attending camp due to their exemplary behaviour and attitude to date. Ms Wain has been very busy with

last minute preparations, and I wish all staff and students attending the camp all the best, and hope they have a great time.

Later in the term we will have **Caralee's Got Talent**, as well as other performances by the Choir and Music students. **Mr Matthew Ryder** has done a fantastic job in his first year at Caralee as Specialist Music teacher, and we look forward to him leading these final events. The Choir will also perform at the **Caralee Fete** which will be on Friday, 29 November. I hear there will be a 'dunk tank' and students will have the opportunity to hit the target and dunk a teacher!! I wonder who will be the first to get wet?!!

Before any of our staff get wet at the Fete, they will be working hard to ensure our students have had the opportunity to engage with the curriculum and demonstrate a year's progress. Soon they will be making final judgements for marks on **Student Reports, as well as social and emotional progress**. The Parent Night last term showed our students are accessing a vast range of curriculum experiences, as well as literacy and numeracy programs. I look forward to reading student reports later in the term.

Finally, a school report I

remember reading very well was for **former student, Dylan Crowe**. Dylan always demonstrated excellent results and was a PEAC student, Dux of Caralee and was accepted to WA's premier academic extension school, Perth Modern School. Dylan has recently been announced as Head Boy for Perth Modern in 2020.

We know he will do a great job, and we are very proud of Dylan's progress since leaving Caralee in 2014.

Have a great term everyone.

RECYCLING AT CARALEE

Meet **Esther**, who is the Waste Education Officer with the City of Melville.

Esther was able to take our school's polystyrene packaging and other items collected by our Network Support Officer, **Ms Cathy Bullock** at a recent E-Waste collection.

Not all items can go in your bins. The City of Melville has information for disposal of other items on their website at <https://www.melvillecity.com.au/waste-and-environment/waste-recycling-fogo/disposal-of-other-items>.

The next **FREE E-Waste Drop-Off Day** will be Saturday, 28 December 2019 at their Operations Centre, Murdoch.

Keep those (PET I) strawberry, blueberry & tomato packaging containers and plastic bottle tops coming in

Last month, **Caralee's Eco-Team** were able to take over 230 PET I containers and over 3,000 plastic bottle tops (please keep them less than 5cm) to **Greenbatch** (WA's first plastic recycling facility).

Thank you for your support of Caralee's eco-initiatives.

Students are currently busy preparing for the **Music: Count Us In** celebration day on Thursday, 7 of November.

Music: Count Us In is Australia's largest school initiative, combining schools from across the Nation to sing simultaneously and promote the importance of Music in schools.

This year's song is called 'We Are'. Lyrically the song expresses how music can bring people together and influence the way we feel. In addition to mastering the lyrics of the song, students have also learnt part of the **Auslan** translation (sign language).

On Thursday, 7 November, students will assemble in the undercover area at 9.30am sharp to sing 'We Are' with the rest of Australia. Students will be treated to watching the live stream of the event; meaning they will get to see and hear other primary school students from around Australia singing at the same time as them.

This is a fantastic opportunity to celebrate music at our school and has me excited beyond belief. I think it is going to be a real goosebump moment.

WOW! We had such a busy time last term getting all our work ready to present at Parent Night. All the students completed such wonderful work. If you haven't had a chance to pop in and see it, feel free to come in and look at the great art work, including the glow-in-the-dark room.

This term, we have some more fabulous art projects planned as well as **The Caralee Fete Colouring Competition**.

Have a look at some of our great work showcased at Parent Night.

CI have been busy working on their famous landmark projects. They have produced some great work. Check out some of their magnificent photos.

Wanted...

If you have any **baby jars with lids**, we would love them in the Art Room.

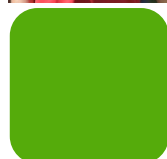

We are still collecting old jewellery, in particular large beaded necklaces. We would love to use them in some projects that we are working on.

All items can be dropped off to the **Art Room** and left in the box at the back of the room. Thank you.
