Dear Parents and Caregivers,

Welcome to Caralee Community School's first newsletter for 2020. My name is Dane Franklin, and I will be the Principal of Caralee Community school for Term 1 and 2 of 2020 while Mr Shapcott is on leave.

I am very excited to begin working with the Caralee Community School community and look forward to meeting you all in the near future. Already I have been impressed with the commitment of staff in ensuring that they are ready to commence with your children this academic year.

Students Commence

It is a credit to you, as parents and caregivers of the students of Caralee, in the manner in which our students returned to school ready and eager to learn. In visiting classrooms and speaking with students, they are excited, refreshed and engaged in their learning. Thank you for ensuring your children are prepared for school.

School Development Days

Staff commenced earlier than students, and worked through two days of targeted professional learning on assessment data analysis, planning for the year ahead and Positive Behaviour Support (PBS). The PBS team

hopes to consolidate our 'values' faction token and reward system for students and implement the next step which is teaching the expected behaviours from our updated behaviour matrix.

Good News

Through a Community grant in late 2019, we were able to secure funding towards a Big "Awesome" Fan to ensure our students can use our undercover area in the warmer weather we have been experiencing.

2020 Planning

Our mantra for this year is 'Believe you can'. This semester I look forward to working with the school community to implement the recommendations of the 2019 School Review, and work towards the milestones as outlined in our Business Plan. As a school we look forward to a great start of the 2020 school year and welcome both new and existing families back to our school.

Teaching our kids about good saving habits!

The **School Banking** program has been run nationally by the Commonwealth Bank since 1931. All you need to get involved in the School Banking program is a Commonwealth Bank *Youthsaver* account. You can open an account for your child in one of two ways:

1. **Online :** Visit commbank.com.au/schoolbanking and click on the link to open a *Youthsaver* account.

2. **In branch :** Visit a Commonwealth Bank branch with identification for yourself and your child, like a driver's licence and birth certificate.

School Banking Day is Thursday. Each week you need to bring the deposit book up to the **Front Office**. You will also have the chance to receive a range of items to help you save. If you would like to know more about school banking, please ask for a 2020 School Banking program information pack from the school office or visit commbank.com.au/schoolbanking
