Almost half way through the term already. This year really is flying by.

On Tues, 9th August, Caralee had the pleasure of welcoming the Minister for Local Government, the Hon. Tony Simpson, and the visionaries for the South West Metropolitan Partnership and other dignitaries. Students involved in the Caralee *Ideaz Hunterz* project displayed their art competencies as well as their soccer skills

Week six is **"Book Week"**. This is an excellent medium for encouraging young readers to engage with books and immerse themselves in literature. Visits to the library have been arranged and students will have the opportunity to meet and hear from published authors.

The Book parade is on **Thursday 18<sup>th</sup> August** at 9am, and is open to all students from Kindy to Year 6. Please encourage your child to participate. Giving the students the opportunity to parade as a favourite character does not mean that parents need to go to extreme lengths and spend money. Often the home made costumes are the most memorable, especially when the students are involved in the construction.

Also on Thursday 18<sup>th</sup> August is the **Cross Country**. Our athletes have been training really hard for this event and we wish them all the best.

Wednesday 17<sup>th</sup> August is our **Family Picnic Day**. The students love to have family members join them for lunch and share their daily environment for this short

period of time. I have also been informed that the choir are hoping to perform during the lunch break.

Letters will be coming home soon about the **in-term swimming** which is scheduled for Weeks 1 and 2 of Term 4. This is part of the school curriculum, as well as being a vital skill that all children need to have, in order to safely and fully engage in the Australian lifestyle, so please encourage your child to participate. Payment is required by the end of this term, and we are happy to accept instalments up to the end of September. Active link may be an option for some families. If you are unsure about eligibility for Active link, please contact the office.

## School Notices

### You are invited to Caralee Community School's Book Week Parade!

**WHEN?** 9am Thursday 18th August

**WHERE?** Undercover Area

**WHO?** **Kindy to Year 3** students and teachers.  
Year 4 to 6 students *wearing costumes* are also  
invited to attend.

**WHAT?** Children come to school dressed as a  
character from a book. They should also bring the  
book to carry during the parade.

*(Please remember Book Week is about celebrating books. You do not need to buy a costume. Home-made costumes are fine: wear a pair of gum boots and you could be the farmer from Farmer Duck; make a pair of cardboard ears and a tail and you could be one of the three pigs.)*

RE: New School Breakfast Program partnership with Hawaiian

It is with great pleasure that Foodbank WA welcomes Hawaiian as an official partner of the *School Breakfast Program*! Hawaiian, a West Australian property group, owns an extensive portfolio across Western Australia including shopping centres, office buildings and a resort. Through their properties, Hawaiian is committed to making a difference to the WA community by nurturing connections between places and people. One way they achieve this is via their community program.

This exciting new partnership will benefit up to 75 *School Breakfast Program* schools, including Caralee Community School, within the local communities surrounding Hawaiian's metropolitan centres: Claremont Quarter, Carillion City, Hawaiian's Mezz in Mt Hawthorn, The Park Centre in East Victoria Park, Melville Plaza, Noranda Shopping Village, Hawaiian's Bassendean, Duncraig Shopping Centre and Forrestfield Forum & Marketplace.

This partnership works in two ways. Firstly, Hawaiian's support of Foodbank WA works to ensure ongoing delivery of *School Breakfast Program* services to your school. Secondly, your local Hawaiian Centre (Melville Plaza) wants to work with Caralee Community School to enhance the *School Breakfast Program* experience with other activities available through their program such as Scitech incursions, laboratory visits to the Harry Perkins Institute of Medical Research, skills clinics with the Perth Wildcats or Ultimate Training Sessions with the West Coast Eagles. To learn more about the activities available to your school, visit [www.Hawaiian.com.au/community](http://www.Hawaiian.com.au/community).

## Music

This week, the Upper School students have been working in teams to complete six different music games. The students have been racing to read the notes written on the staff in games like Mine-Staff, Word Race & Note Squish. They've also been playing Music-Note-Twister using our giant musical staff! The lower school students have been using the glockenspiels to practice reading and playing their new notes – *so* & *mi* for the Year 1's & 2's & *la* for the Year 3's.

## Dance

The students in Years 1-6 at Caralee have been very enthusiastic for each and every dance lesson so far. I'm so proud of the effort they have been putting in every Thursday & Friday. **Our dance concert will be taking place in Week 9 on Thursday 15<sup>th</sup> September from 1pm in the undercover area** – come along to see what we've been working on!

**Good Educational Outcomes for Primary School Children**

*Through effective early intervention, targeting key foundational skills for learning:-  
Sight, Hearing, Language and Wellbeing*

**OUR MISSION STATEMENT: IMPROVING ACCESS TO HEALTH CARE FOR CHILDREN IN NEED**

**What is the GEOBus?**  
GEOBus builds on the previous, very successful Telethon Speech & Hearing (TSH) Ear Bus and Ear Clinic program, provided in schools by Telethon Speech & Hearing for many years. The GEOBus program expands this good work and will identify those children with speech, hearing, sight and general health problems. In coordination with your help, we will deliver remediation and health educational intervention to overcome these. Our goal is to improve educational outcomes through good health allowing children to reach their full potential. This program will be provided at school and at no cost to the child or the school.

**Why do we need GEOBus?**  
Ear disease creates deafness and deafness causes poor listening and speaking skills. Eye disease causes children to have visual processing problems. These conditions, as well as poor health impact on a child's ability to focus and concentrate in order to learn at school. GEOBus aims to not just identify children with these problems but to also provide treatment options, referral pathways and prevention education to overcome them.

### Telethon Speech & Hearing GEOBus

The GEOBus is now offering their services to all students.

If you have concerns about your child's hearing, eye sight, skin health, illness management and throat, please see the office for a Consent Form to allow your child to attend the GEOBus Program.

## Emotional Coaching

Every parent wants to do the best for their child but can often feel overwhelmed. After many decades of research it has been found that one of the most useful skill and awareness a parent can give their child is emotional intelligence.

This means helping their child to recognise what they are feeling and why. This seminar explores the most helpful way of responding to a child to help them to learn how to regulate their own emotions.
