Welcome back everyone to Term 3 for 2017.

As usual, we have a number of **whole school events** planned for Term 3 that should be very exciting and provide some fantastic curriculum opportunities for our students.

The **Caralee Choir** traditionally performs at Crown Perth, and I know Ms Longley is already preparing our choir students for that performance.

Term 3 also sees **Book Week** and the parade happen in Week 5, but this year we have timed it to coincide with the **Family Picnic Day**. This is so parents can enjoy the parade and picnic on one day.

Later in the term we will have the **Athletics Carnival**, as well as **Swimming Lessons** in Weeks 9 & 10. We are happy to negotiate a payment plan, if necessary, to ensure that everyone has the chance to participate in swimming lessons that could potentially save your child's life in the water.

I would like to welcome **Ms Roisin McMahon** to staff for the rest of the year. Ms McMahon is taking DI, whilst Ms Wain works with teachers and children to teach 'coding', which is part of the new Digital Technologies Curriculum. As previously mentioned, our P&C raised the money for Caralee teachers to receive specialist training in this new area which will see our school retain this expertise within our staff. There are a number of terms related to technology parents may see in the media relating to schools at the moment.

ICT (or Information Communication Technologies) has been around for a while now, and traditionally sees students using computers to type stories or create presentations. It is expected students can use **ICT**, if appropriate, to enhance learning across the traditional subjects. **Digital Technologies**, as outlined in the Western Australian Curriculum (WAC), focuses on creating and designing **ICT** solutions using tools such as **Coding**. One way to

think of coding is simply as a computer language. Our children will need this in the future as technology becomes more prevalent across society. Finally, **STEM** is a national and state government priority to see **Science, Technology, Engineering and Mathematics** as focus areas for schools. This again is due to a changing economy and digital future, with ICT and coding being important. Sometimes we see **STE(A)M** with A for the **Arts**, as ICT can be used there, which is something for us to consider as well.

I recently received some good news from the Department of Education, with \$50,000 now allocated for the promised 'Nature Play' area for the early childhood area. Originally this was promised to the P&C, so parents, teachers and children will all have the opportunity to design and suggest things they would like. Stay tuned for more information as the term goes on.

CAPORN YOUNG sponsoring CCS by supplying paper for their newsletters

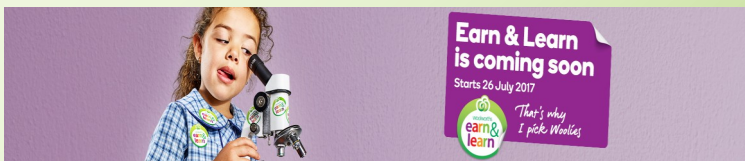

Proud to be a
**Waterwise
School**

TIP # 35

Plug the sink instead of running the water to rinse your razor and save up to 300 gallons a month.

TIP # 36

Turn off the water while washing your hair in the basin and save up to 150 gallons a month.

Starting on **Wednesday 26th July**, anyone from the School community – staff, parents, grandparents, neighbours and friends – who shop at Woolworths, can collect stickers for your children, and help the school earn equipment and resources.

Earn one sticker for every \$10 spent at Woolworths.

Complete Sticker Sheets (available in store).

Runs from 26 July 2017 to 19 September 2017.

Drop Sticker Sheet with completed details in the box provided at the Front Admin Office.

Find out more at woolworths.com.au/earnandlearn

This term, the Fremantle LDC has implemented a special reading program for low confidence readers called **"Story Dogs"**.

Each Tuesday morning, Mrs Lynley Black, and her dog, Lucy, will be visiting C Block to help children with their reading.

Lucy wears a special coat that identifies her as a *working dog*, and we ask that all parents and children respect and understand not to approach her whilst she is on duty (unless invited).

CARALEE COMMUNITY SCHOOL
P & C Fundraising

*Ask Questions
Be Involved*

<https://www.facebook.com/caralee.p.and.c.2016/>

Our fundraising committee has been doing wonderful things, and our two latest fundraisers have been very successful!

Lapathon Raised \$4,000

Congratulations to everyone in getting their donations in, and a special mention to our top money raisers

- Aiden Gallagher
- Kyle Benson
- Rafael De Pelseneer
- Makayla Ricetti
- Nathaniel Ricetti

Also special thanks to *Betts*, *Kmart* and *Armando Sport* for their kind donations towards the main prizes and raffle prizes drawn out at this weeks assembly.

**Limited Editions Tea Towel
Profit \$922**

Those who purchased the *Limited Edition School Tea Towels* would have now received and seen the creative self portraits done by the students and staff. A wonderful keepsake to have creating lasting memories.

NOTE: There are only six Tea Towels still available at the Front Office — be quick if you wish to grab one more!!!!

Our Canteen has a new Facebook page!!

Please "like" and follow to stay up to date with all the latest Canteen information.

Contact us via email @
caralee.pandc@gmail.com

COMPETITION WINNERS!!!

Congratulations to **CALLUM MACNAMARA** whose entry was voted most popular through the recent "Name the Canteen" competition run on-line through the P&C Facebook.

Callum's winning entry has won a fidget spinner for each child in his class (CI), as well as earning them extra play time.

Music Miss Longley

In music, the upper school students have begun their 'Ukulele Hero' unit. They are learning to read the notes on the musical staff & play the corresponding notes on the uke, whilst rocking out to 'Best Day of My Life'.

The middle school kids are applying their knowledge of rhythm & notes to play the sweetest sounding instrument in the music room - the recorder! Our classroom has turned into a Dojo as the children work through from white belt to black belt in 'Recorder Karate'.

Students in Years 1 & 2 have been learning all about our notes 'so, mi & la' with songs like 'Bumblebee, Lemonade & Cobbler Cobbler'. Kids, can you teach these games to your family?

Choir Miss Longley

In Week 7 of this term (on Tuesday, the 29th of August), the Caralee Choir will be performing at **Crown Theatre!**

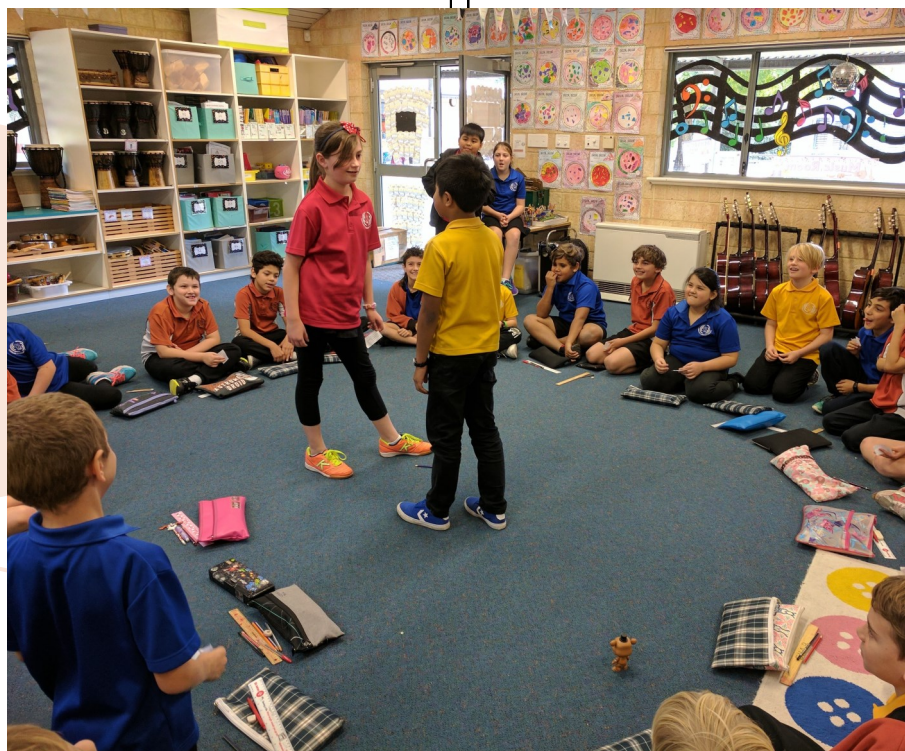

Rehearsals have already begun, and the Choir students have been working very hard to prepare for this event.

The [Western Australian Government Schools Music Society \(WAGSMS\)](#) concert at Crown will commence from 7pm with tickets for family and friends sold via the Ticketmaster website.

If you would like to come along & support our Choir, please purchase a ticket as soon as possible to avoid disappointment through **Schools Make Music** at www.ticketmaster.com.au.

Information notes & permission slips for this concert to follow later this week.

D3 role play

Drama Miss Longley

In drama this term, the Caralee kids are transforming into a bunch of unruly, dramatic & enthusiastic **pirates!** This week, we have been looking at 'characterisation' and 'role' by inventing our own pirate characters & creating improvised scenes on the pirate ship.

Year 6 Fundraiser 5 cent Challenge

Congratulations to B4 who won the 5c Challenge by collecting the largest amount in the school.

B4 will now be presented with a *Pizza Party Surprise*.

Total funds raised in support of the Year 6 Camp is \$540. Thanks for your support!

Winthrop Gardens SUPA IGA visits Caralee

Thank you once again to store owner, Mr Jack Keeley, and daughter Jacquie, who recently visited CCS to present the school with a cheque for \$85.80.

This is part of Winthrop Gardens SUPA IGA's commitment to our school as part of their School Benefits Program, which so far has seen over \$3,500 donated to Caralee. It's easy to become a member of the program (where 1% of all purchases are donated back to our school).

Sign up in store or go online at <http://www.winthropsupermarket.com.au/rewards-sign-up>

* FOUND *

A ladies dress ring / engagement ring / eternity ring was found at a play ground in Willagee WA 6156 at Winnacott Reserve Corner Bawdan Street and Winnacott Street near Caralee Community School, Melville SHS and Fremantle Language Development Centre.

Ring is now with the **Palmyra Police Station**, waiting for it's owner to claim it by a description.

Please share if you know of anyone who has lost their ring or had jewellery stolen.

behaviour[®]
tonics presents

1-2-3 Magic and Emotion Coaching[™]

To help parents manage difficult behaviour in 2-12 year olds

A **humorous** look at parenting, a **serious** look at discipline!

To help manage difficult behaviour in children calmly and effectively. Learn how to use empathy so kids begin to identify their emotions and become better at managing them. This enables them to take more responsibility for their own behaviour.

Fremantle LDC & Caralee CS

Running over 3 x 2 hr sessions. \$50pp

Mon 21st & 28th Aug & 4th Sept 2017

6.30pm arrival. 6.45pm to 8.45pm course

Venue - 24 Winnacott St, Willagee.

For more information - please contact Penny Newton on

penelope.newton@education.wa.edu.au or 9331 8602

(The schools have subsidised the course to reduce the cost to parents).

Payment due prior to the course please.

What will be covered..

- The two approaches to parenting.
- How to discipline without arguing, yelling or smacking
- How to handle the 8 kinds of testing and manipulation.
- 7 tactics for encouraging good behaviour.
- How to control obnoxious behaviour.
- How to show empathy while developing emotional intelligence in your child.
- How to strengthen the relationship with your child.

What people are saying...

- An end to the yelling and arguing!
- It saved our lives
- Simple, sane, effective
- What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember at those times when memory is the first thing to go
- I realised quickly that 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child, who later on down the line needs excessive discipline or grows out of control.
