Last week we managed to conduct the **Athletics Carnival** despite a wet start to the day. Fortunately, the children only missed a few rotations of the tabloids in the afternoon and everyone had a flat race. Similarly all the Jumps and Throws were conducted earlier in the week, so we had a number of happy Runners Up and Champion boys and girls from every year group. In the end, Blue won the tabloid shield and the outright champions were Red. Well done to Red, Blue & Gold for their fantastic participation and behaviour despite the rain interruptions. Mrs Craen is now planning for the Interschool Carnival next term based on the recorded results.

A big thanks to the many parents who paid early and are prepared for **swimming**. The deadline for payment is Friday 8th September and it is an important part of the

curriculum. Health Care Card holders have been able to access Active Link and related support through the Willagee Recreation Centre which have been a fantastic support for all of our programs. Similarly, our **Willagee Library Homework Club** next door to the Recreation Centre is going from strength to strength, and our staff and the City of Melville Youth Workers are providing local kids with some fantastic learning and life skill building activities.

Next term will see our **Year 6 students** go on camp. The majority have demonstrated excellent behaviour and attendance, which is a requirement to attend this wonderful experience. We forward look to hearing more details as Mrs Wain puts the final touches on her planning for the event. Mr Acott is planning another **Reward Day** for students, and we also have the **P&C Fete** to look forward

to on Friday, 10th of November from 4pm to 8pm. I know a lot of planning has gone into this, and I thank the P&C in advance for their work.

The **Caralee Choir** performed at Crown to another packed house. They performed very well, from Mr Acott's reports. A big thanks to Ms Longley for all her efforts with rehearsals, and Ms Crawford and parent assistants for helping on the night. We look forward to some big Term 4 performances from our fantastic choir.

Mrs Norman will be Acting Principal for Week 10 as I have been fortunate enough to be awarded a scholarship to complete my final Masters unit in the United Kingdom. Have a great Term 3 and I will see everyone again in Term 4.

TIP # 41

Look for WaterSense® labelled toilets, sink faucets, urinals and showerheads.

TIP # 42

One drip every second adds up to five gallons per day! Check your faucets and showerheads for leaks.

LOST PROPERTY

Parents/Guardians - please check the tags of your children's clothing items (in particular Black Jacket) and return to the Front Office if not yours. Many thanks.

'Training with the Perth Wildcats'

On Friday 11 August, students were given the opportunity to be coached by two Perth Wildcat players, Jarrod Kenny and Derek Cooke Jr.

Students experienced a 45 minute session that focused on skill development and teamwork, including the popular game of *golden child*. The session wrapped up with a 10-minute Q+A where players were able to answer student's eager questions as well as receive some signed merchandise.

Thank you to Melville Plaza for gifting this opportunity to our school. You can view more images of the session on their website below;

**Wildcats
Visit**

Students from D1 were the lucky class who met 2 famous Wildcat players, Jarrod Kenny & Derek Cooke Jr.

Students were engaged with a skills session, and at the end of their session autographs and prizes were given out.

Our school is very fortunate to receive skill based sessions from famous athletes and, as a school, we are very proud of how our students behave with a positive attitude and behaviour.

**Well done

Choir Miss Longley

On Tuesday 29th August, the Caralee Choir performed a mash up of their favourite pop songs at Crown Theatre for the annual *WA Government Music Schools Society Concert*. The Choir sang beautifully, and danced with enthusiasm and charm. I'm so very proud of your efforts & bravery. After two terms of practice and preparation, it was amazing to see your faces light up on stage as you performed in front of thousands of parents, friends & teachers.

A big thank you to the parents who came along to support the choir on the night. I'm sure you'd agree that the kids looked fabulous in their costumes, and what a huge achievement it is to have sang confidently in front of such a large audience.

The Choir would like to thank **Sam** for making such a wonderful prop for the performance - our giant iPhone looked great up there on stage. We'd also like to thank Mr Acott, Mrs Crawford, Nat Matthews & Zoe Pitt for their feedback, support and supervision throughout the sound check excursion, and backstage on the concert night. We couldn't have done it without your help!

Well done Choir on a fantastic performance, I can't wait to see what you come up with next year! Here's a few photos of the choir during their sound check at Crown Theatre ...

Sport Mrs Craen

Eagles Faction Footy

This Term, Mrs Craen and Sam ran an **Eagles Faction Footy** for Years 3-6.

We had four amazing teams of 15 students participating. Students were eager to gather their teams every recess and lunch time to either watch or support their friends. It was great to see Captains take ownership and organise the younger players, and to make sure everyone had a go at kicking the ball for a goal or defending.

Congratulations to the **GREEN team** : Gabriel, Alex F, Anthony, Greta, Alice, Avaree, Ben, Hunter, Eve and Imogen.

Player of the Match - Gabriel Ronquillo. Gabriel displayed excellence in sportsmanship, dedication to the team, positive attitude and overall best skills on ground.

Interschool Cross Country

Thursday, 17th August 2017, students from Years 3-6 participated in **"A Division" Cross Country** at Manning Park Spearwood. All students displayed great confidence (after a few nerves) and absolutely ran their heart out. Caralee came **4th in Division A** which was a fantastic achievement!

Congratulations to **Kaylen Caruana** for securing her 1st place in the Year 6 division. Kaylen has taken out 1st place for the past three years, and she will be missed next year. I would like to personally thank Sam, Mr Acott and parent helpers for making the day enjoyable for all. Also a special 'thank you' goes to our two cheerleaders Cosmo and Jolina. Cosmo and Jolina were decked out in orange and black, and were extremely enthusiastic while Caralee students were participating. Feedback from students were that the cheerleaders were really encouraging and made them sprint that last distance!

Sport cont. Mrs Craen

Dockers Cup Curtain Raiser

Selected Caralee girls played at the **Dockers Cup Curtain Raiser** on Sunday, 20th August at the Freo v's Richmond game. The girls **won** both games against two private schools. Thank you to Mr Acott for attending and coaching the girls to victory.

Welcome 2 Freo Gala Day

D3 and 4 year 6 representatives finalised their last session with a **Welcome 2 Freo Gala Day**. Students were invited to tour the new Cockburn Facility, they participated in the skills session with Fremantle Dockers players and won prizes. Students particularly enjoyed the tour which was led by one of the Dockers Players, students got to roam the weights room, see where they slept (sleeping room), training room and where they congregate and plan their football games.

Jolina, Ava, Kaylen and Lila are featured in front of number 7 - Nathan Fyfe's locker.

Jumps and Throws

As part of the carnival, selected students from years 3-6 participated in Throws and Jumps in the lead up to the sport carnival. A massive congratulations goes to all students who tried their best and who were awarded places. Mrs Craen is busily organising placements for students participating in the inter school athletics carnival for Term 4. Due to year 6 students being on camp, Mrs Craen will be organising extra students to participate in these events.

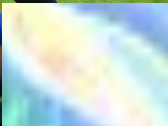

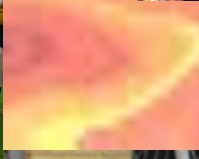

Sports Carnival

Wow, what a day! Rain - sun - rain and sun! Everyone looked amazing in their faction shirts and hats.

A big 'thank you' to all teachers for making this go ahead with not too many hiccups. It was great to see teachers dressing up as well to support their faction. Thank you to parents for supporting their children in races and tabloid events.

Real Kids in an Unreal World

with Maggie Dent

Building Resilience and Self-Esteem in Today's Children (10 Resilience Building Blocks)

Children need to have certain basic experiences to build the competencies that will help them manage life — the good, the bad and the ugly. Popular Australian parenting author and educator Maggie Dent published her bestselling book, *Real Kids in an Unreal World*, to help guide parents in raising children who are happy, healthy, strong, kind and resilient. In this seminar, Maggie will explore her common-sense, practical model of 10 building blocks for children birth-12.

She will present practical, common-sense ideas and strategies to make small changes in your home or classroom/centre, which will make a big difference to your children's cognitive, physical, psychological, emotional and social health later in life.

Date: Monday, 16th October 2017
Time: Door and drinks from 6pm. Talk starts at 7.30pm sharp.
Venue: South Fremantle Football Club
 Fremantle Oval, Parry Street, Fremantle WA 6160
