Welcome back to Term Four.

Already it has been a busy start with the **Year Six students** heading off to camp this week. The weather so far has not been favourable, but I am sure they will enjoy themselves, regardless of the elements. A big 'thank you' to Ms Wain and Ms Crawford for giving up their time to provide this experience for our Year Six students. Also to our parents who have gone to lend extra support.

Many of you will be aware that Sam Atkins was involved in a horrific accident on the way home on the last day of Term Three. Although still very sore, I am happy to report that he is on the road to recovery and we wish him all the best.

Our Interschool Athletics is this week, and with your Year Six

students on camp, it is giving our younger students a wonderful opportunity to participate, and we wish them all the best, as well as a big 'thank you' to Mrs Craen for her organisation of this event.

Mr Roseveare is currently on leave, and **Mrs Sue Toole** has returned to Caralee and is currently teaching D4. In 2018, we are planning to convert a classroom into a Science Lab, and Mr Roseveare will be responsible for this learning area across the school.

We would also like to welcome **Mr Jesse Weston** to our staff. He is an Education Assistant and is working in D Block.

Mr Shapcott is on military leave this week, and I am Acting Principal in his absence. Mr Michael Rajecki is Acting Deputy Principal.

Parent Night is coming up on Wed, November 1st, when classrooms will be open between 5pm and 7pm. This is not a one-on-one meeting with your child's teacher, but an opportunity for parents to see some of the fantastic work that has been created. If you wish to have a meeting with your child's classroom teacher, that can be arranged directly with the teacher, or through the Office.

Also on November 1st, we will be conducting **tours** between 2pm and 3pm for community members, local business outlets and prospective parents to view the school in operation.
