Fundraiser

We are already nearly half way through the term with NAPLAN testing completed and teachers beginning to look at reports in preparation for the end of term.

The P&C just completed a successful Spellathon fundraiser with the support of teachers. Prizes were awarded at assembly.

The school receives support from many sources including the P&C, philanthropic donations and voluntary contributions. Parents receive their voluntary contribution notice at the start of the year and, as with anything voluntary, it is your choice or not as to whether you contribute. Rest assured the money supports many of the various programs that make Caralee a great school, and we look to this friendly reminder bringing in a flood of contributions to Shannon in the office.

Speaking of great things, Week 5 traditionally sees our

**Family
Picnic
Day** on

Wednesday, 30th of May. Coincidentally, a sporting

spectacular will be on offer and parents and children will be allowed to eat on the oval and watch **'England Vs Staff (CCS/FLDC) All Stars'** soccer final which has been organised by our Student Support Officer, **Sam Atkins**.

The competition over the course of the term has been fantastic with team captains leading their teams with great spirit. Ultimately, England was successful and will play the staff team. Unfortunately, I have military leave that week so Mrs Norman will have to fill in!!

Finally, I have the opportunity to talk to many parents who walk to and from school and at the same time walk the dog and bring them on site. In the past we have not had a problem but, unfortunately,

there has been a significant increase in dogs on the school site and the risks associated with that. Caralee and FLDC must fall into line with Departmental policy that provides for 'service dogs' (eg guide & story dogs) only on site. I can also make allowances for news and story-telling (dogs, rabbits etc included) with advanced notice. I understand this will be an inconvenience to some people, and I appreciate those people with dogs taking the time to understand why we can't allow dogs on site. Signs will go up soon, and this will take effect Friday 25th May to enable people to transition to the new policy.

WINTER SPRINKLER SWITCH-OFF

1 JUNE - 31 AUGUST

Evaporation rates are generally lower in winter, so you can leave your sprinklers off and let the rain take care of your lawn and garden instead. The Winter Sprinkler Switch-off aims to prevent waste and save water for the drier months. The Switch-off has been in place since 2010, and has been a permanent water saving initiative ever since.

Sport Mr Sam Aitkins

The **Caralee World Cup** competition was a huge success. We had 76 students ranging from Years 3-6 taking part in the competition. The games were held during recess and lunch times over the last two weeks. Each team was given a designated captain who had to ensure that the rest of the team knew when they were playing and against whom. The competition was played out with great sportsmanship and fairness, abiding by the rules and respect for each other.

The final was eventually played out between England and Chile, with England running out 2-0 winners. The winning team will now play against an all-star staff team on Wednesday 30th May at lunch time.
