CARALEE COMMUNITY SCHOOL
P & C Fundraising

Our major fund raising event for 2018 the Caralee Quiz Night was a huge success raising **\$10,148.20**, which will be donated to the school to assist in purchasing literacy and numeracy resources for 2019.

An enormous thank you goes out to our P & C Fundraising Sub-Committee for their tireless efforts and considerable planning that made this event such a tremendous success.

Thank you everyone who purchased tickets and joined in on the festivities of the night. A special thanks to Mr Acott for being our MC, he did a wonderful job of keeping the night running smoothly and throwing in just the right amount of "Dad jokes".

Finally, a big shout out to all the families, local small businesses and the community for all your kind donations. Your generosity is greatly appreciated.

School Council

We would like to thank Terri Hale for all the work she has done as a School Council member. Her input and experience has been invaluable as we transition into IPS for 2019.

We have received a nomination from former Chair, Karen Ramsay via the P&C, to support the proposed School Board Chair, Amanda Buisman, for a term of one year. Any further nominations must be received by close of business Tuesday, 11th of December. A letter explaining the expertise you bring to the Board is required as part of the nomination process. If we receive a number of nominations, a ballot of parents will be conducted in the last week of school.

Our P & C AGM will be held in February 2019 (date TBC). This is the meeting where all positions are declared vacate, nominations are taken and positions voted in for 2019.

Caralee P & C also provide Canteen and Uniform Shop services to families of the school – we will be looking for volunteers to manager the Uniform Shop for 2019 and Canteen committee volunteers to assist the Canteen in providing healthy eating option and to continue the success of our Themed Menu days from 2018 into 2019.

School Finance

In accordance with the School Finance Administration policy, funds collected in excess of what is required for an activity must be redispersed to parents before the end of the year. It is proposed all children benefit from a fun water slide activity on the last day of school for free. Excess funds collected for swimming (approximately \$1.40 per child) will be used to fund this event. Please advise in writing to the office if you have any queries regarding this dispersal and proposed activity. Notes will go home for children regarding the event.
