Welcome back everyone to the first newsletter for 2019. I hope you all found time over the holiday period away from school to rest and recharge for the year ahead. I was fortunate enough to spend some time overseas with my wife and three daughters, which was a wonderful experience.

Now we are back, and it has been a fantastic start to the year. We have had many new families start at Caralee, and I welcome you all to our school and the community of Willagee. Similarly, we have new staff beginning at Caralee in 2019. I would like to take this opportunity to introduce them.

In B7, **Ms Janelle Murphy** has joined us from the West Coast Language Development Centre (similar to our joint site partners FLDC). Janelle brings a wealth of early oral language and writing expertise from the extra professional learning LDC staff access. **Mr Matthew Ryder** is with us for 2019 and hopefully into the future as music teacher. Mr Ryder was highly sought after by a number of local

schools, and as an Independent Public School, we were able to secure his expertise.

Mr Richard Bilsborough will be returning to work in classes where teachers will be having stints as Acting Deputy Principal. **Mrs Pearl Norman** is having medical leave for the rest of Term One, and parents of those classes affected will be notified.

Our newsletter will continue to follow the trend set in late 2018 of being issued early, middle and late in the term. This is because our regular news feed on the website and

our school App, **Updat-ed**, is becoming very

popular, and we are being environmentally sustainable by emailing the newsletter and only printing a few copies for the front office and parents without internet access.

Another sustainability strategy has been the issuing or end-of-semester reports on **Connect** which was a great success. Again, paper copies will

only be printed for families who are not registered for **Connect**. More information on **Connect** and **Updat-ed**/school website inside this issue.

This year is one with many important events and tasks ahead of us, such as the beginning of our new business plan cycle and professional learning for staff in wellbeing and digital data collection and analysis. Whilst I know all of our staff and community representatives will work hard to see things implemented, I know the day-to-day work our staff do in classrooms, in partnership with parents, is what makes a difference for the social and academic future of our students.

I wish you all the best for 2019.

Teaching our kids about good saving habits!

The **School Banking** program has been run nationally by the Commonwealth Bank since 1931. All you need to get involved in the School Banking program is a Commonwealth Bank **Youthsaver** account. You can open an account for your child in one of two ways:

- 1. Online:** Visit commbank.com.au/schoolbanking and click on the link to open a **Youthsaver** account.
- 2. In branch:** Visit a Commonwealth Bank branch with identification for yourself and your child, like a driver's licence and birth certificate.

If your child has an existing Commonwealth Bank **Youthsaver** account, they can start banking straight away. They just need to bring their deposit on **School Banking Day** using their Dollarmites deposit wallet.

School Banking Day is Thursday. Each week you need to bring the deposit book up to the Front Office. You will also have the chance to receive a range of items to help you save.

If you would like to know more about school banking, please ask for a 2019 School Banking program information pack from the school office or visit commbank.com.au/schoolbanking
