Children's After School Sewing Classes (max 6 students)

Give your child the enjoyment of exploring colour and design and becoming skilled in machine and hand sewing techniques in a relaxed, nurturing environment. Children will be inspired to create skirts, dresses, tops, shorts, PJs, aprons, bags, cushions, note book holders, Christmas decorations, appliquéd wall art, stuffed animals and other soft toys or projects of their choice. All abilities and interests are catered for. Children can work from simple projects to more advanced dressmaking using purchased patterns or, with my assistance, creating and designing their own.

I have many gorgeous and interesting patterns in my studio to choose from.

Adult Creative Sewing Classes (small classes - maximum 5)

Bring along your interesting fabrics and threads and we can play around with colours and patterns to make adults' and children's clothing, fabulous cushions and other home-wares, handbags, toys, quilts, Christmas decorations, appliquéd wall art etc. I can help you with any project you are currently working on or offer suggestions to get you started.

All sewing skills such as dressmaking, reading patterns, inserting zips, button holes, overlocking, hemming, hand sewing, alterations, revamping clothing and more are taught as required. I work with your current capabilities and help you to extend your skills.

Classes are suitable for the absolute beginner and those with more sewing experience.

Small classes ensure that I am able to give focused attention to each student.

I have many patterns to inspire you, or bring along your own. Come along to sew, learn new skills and have fun in a relaxed environment!
