

How To: Consent and Pay for an Event

If your child has an upcoming event that requires your **consent and/or payment**, you will see an alert on your homescreen.

Click the alert and it will take you to the Events page (alternatively you can click the grid menu icon at the top of the screen and select 'Events').

On the 'Action Centre' tab you will see any events requiring your action. If you have more than one student at the school, events will be listed here under each child.

Click the event you wish to action.

You will see the details of the event.

2 Administrative questions

Are there any additional medical conditions, allergies, medications or ailments?
e.g. A broken leg, asthma inhaler dosage increase, travel sickness, allergies, dietary requirements etc.

Please contact the school if any permanent/on-going medication information requires updating.

Contact details on the day (if different from normal)

Next will be any **administrative information** that you are required to review or respond to.

If you are required to review a medical Action Plan to confirm that it is current, you will need to tick the acknowledgement box to proceed (if the Action Plan on file is no longer current, please contact the school office to advise).

If your child has any further medical conditions not listed, please add the details in the available section. If they do not have any additional medical conditions, you can leave this field blank.

You will then see the current **contact details** on file for you.

If these need updating or different contact information is required for this event, please add that information in the space provided.

4 Consent and payment method

I give permission for Sophie BELL to attend this event. Where the staff member in charge is unable to contact me, or where it is impracticable to contact me, I authorise the staff member in charge to 1) consent to any medical or surgical attention deemed necessary by a medical practitioner, and 2) administer such first aid as the staff member in charge judges to be reasonably necessary. I understand that this is an official school event and that Sophie BELL will adhere to the dress code, as outlined above, and behave in alignment with the school's code of conduct. I agree to meet any medical expenses and/or transport costs incurred in the event of sickness or injury. Further, I agree to meet any transport costs should my child be sent home as a result of misbehaviour or inappropriate conduct.

Contact tracing:
Some excursion venues are required to collect contact details and are responsible for managing record keeping for contact-tracing in line with current public health directives. Most venues are required to use electronic record keeping that connects with an Application Programming Interface (API) linked provider or a digital system provided by Services Victoria. The Department of Health has strongly recommended that a contact number for each individual student is provided. A school phone number alone is not considered sufficient. Providing contact details for individual students will expedite contact tracing so that individuals can be contacted by the Department of Health if required. Parents/carers/guardians are advised that, when required, the school will be providing excursion venues with contact details for students. The phone number on school file for the student will be provided as the nominated contact number. Venues will be collecting student names and contact phone numbers for a legitimate purpose and are subject to Victorian privacy laws so will handle the information securely and only retain it for the required 78-day period.
